Central took a totally new direction this year. But with it came many— "wipe your feet, you'll get the carpet dirty! Turn off the air conditioner. I'm freezing! You'll have to wear a sweater. I can't! The locker with just my things in it is already full!" But do the students mind? Most of them don't. Central's new look is definitely in the right direction!

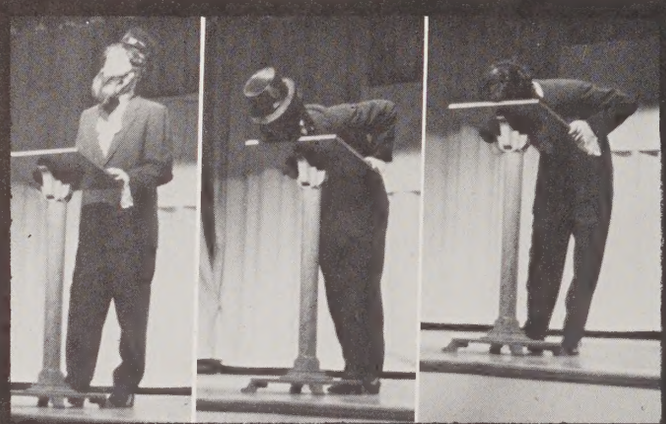
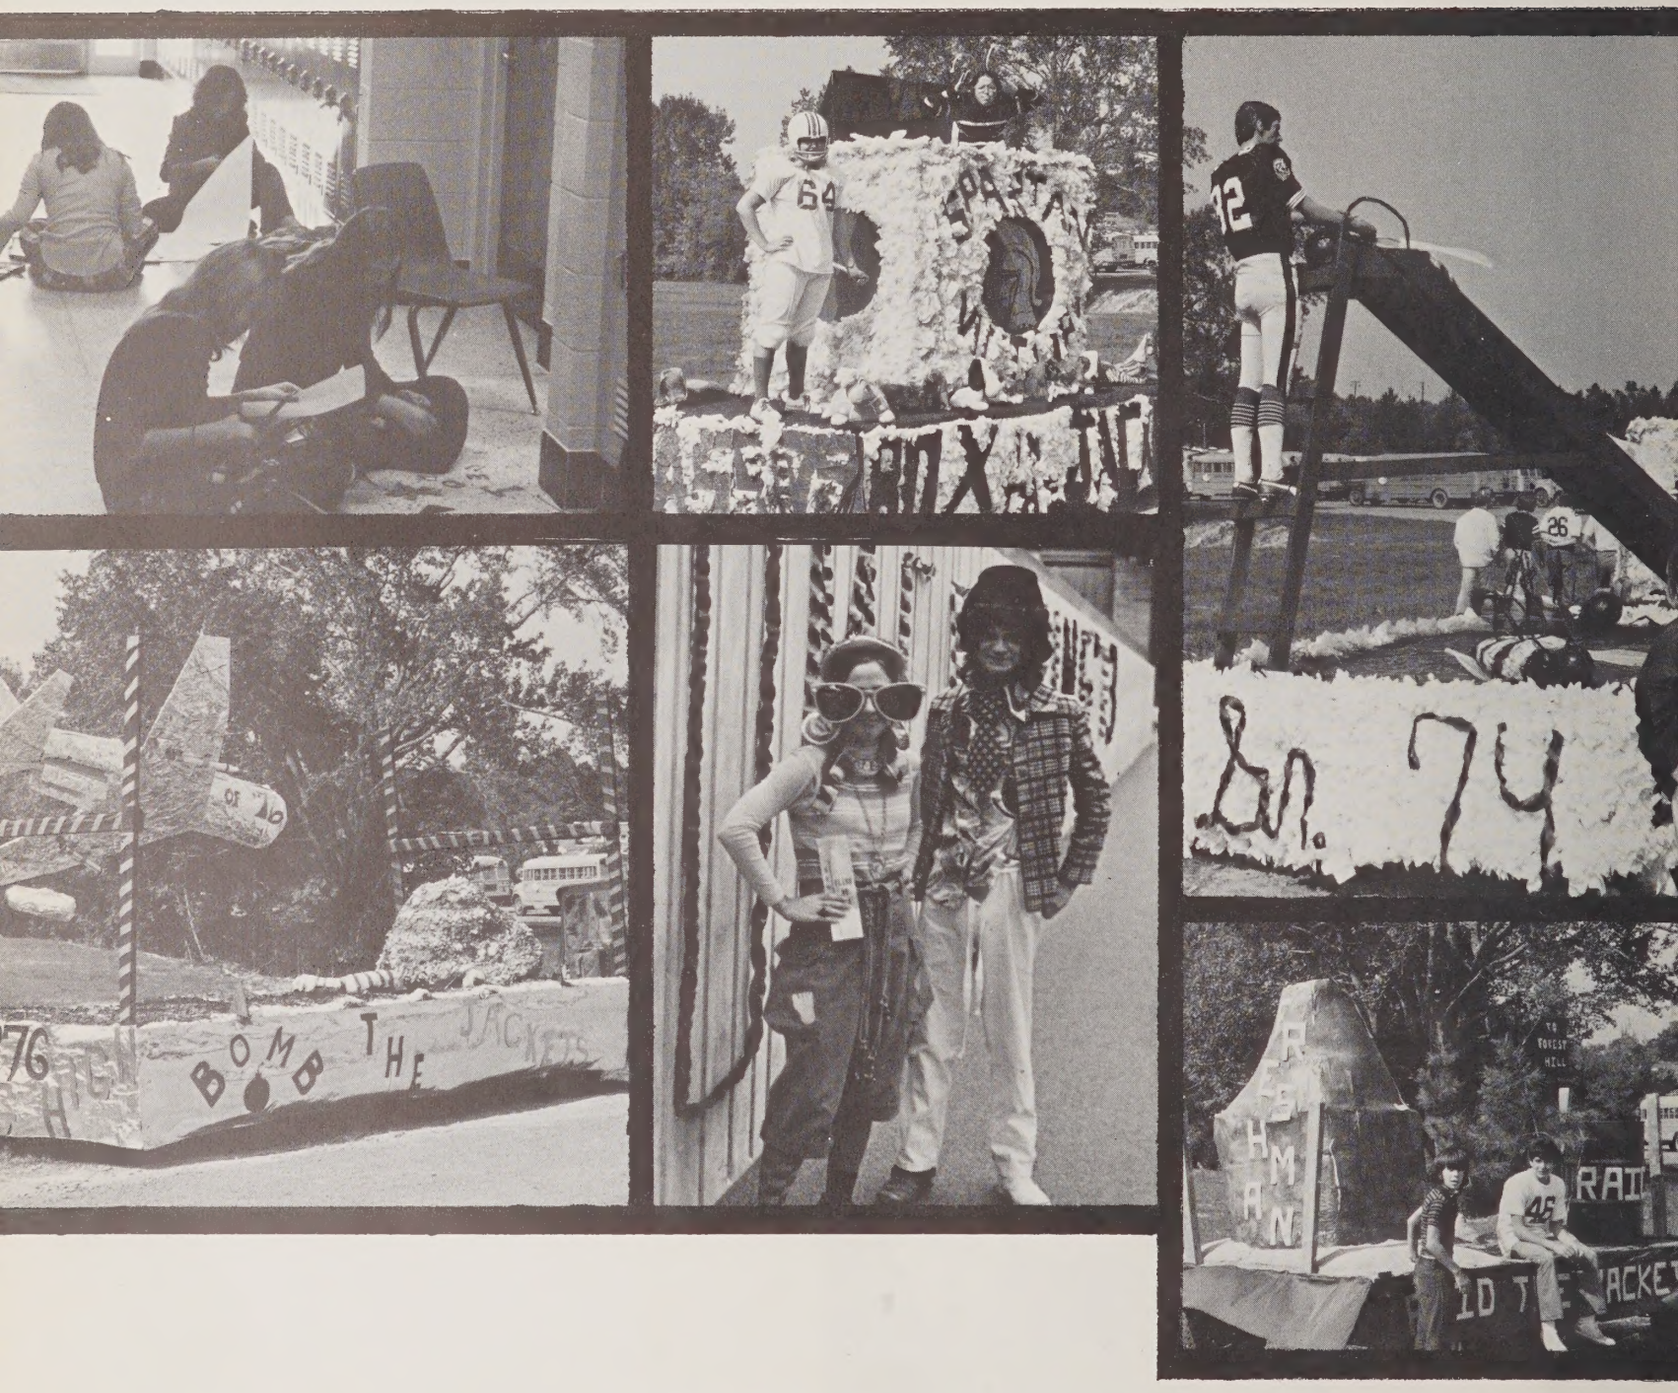
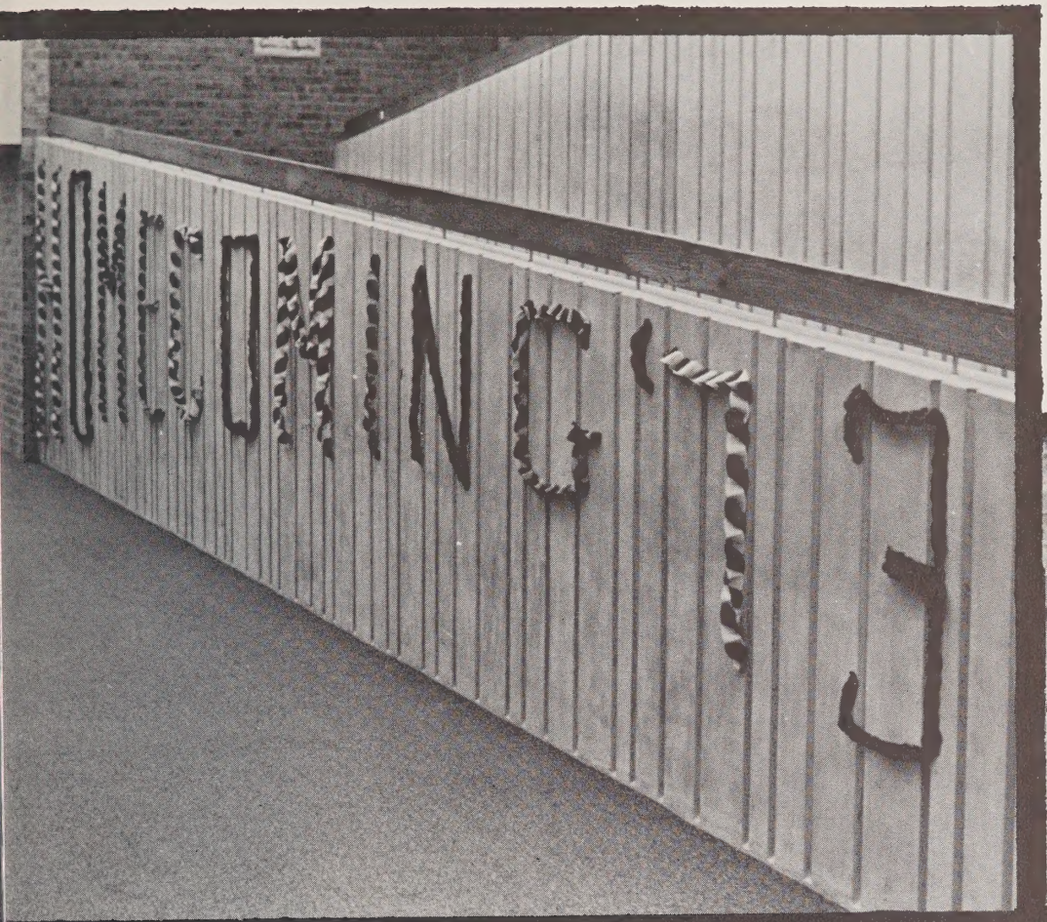
celebrate!



Life. It's yours to enjoy, to create, to learn each in your own way. And what is life? Times, places, people that you can learn from over and over again. They're valuable... they're yours... yours to celebrate ... for the rest of your life.

Homecoming '73





Homecoming '73 took a new direction. Tacky Day! Overall football day! A coffin and wreaths for the Jackets! Even sobbing cheerleaders? And would you believe it? — Female hands on the football!

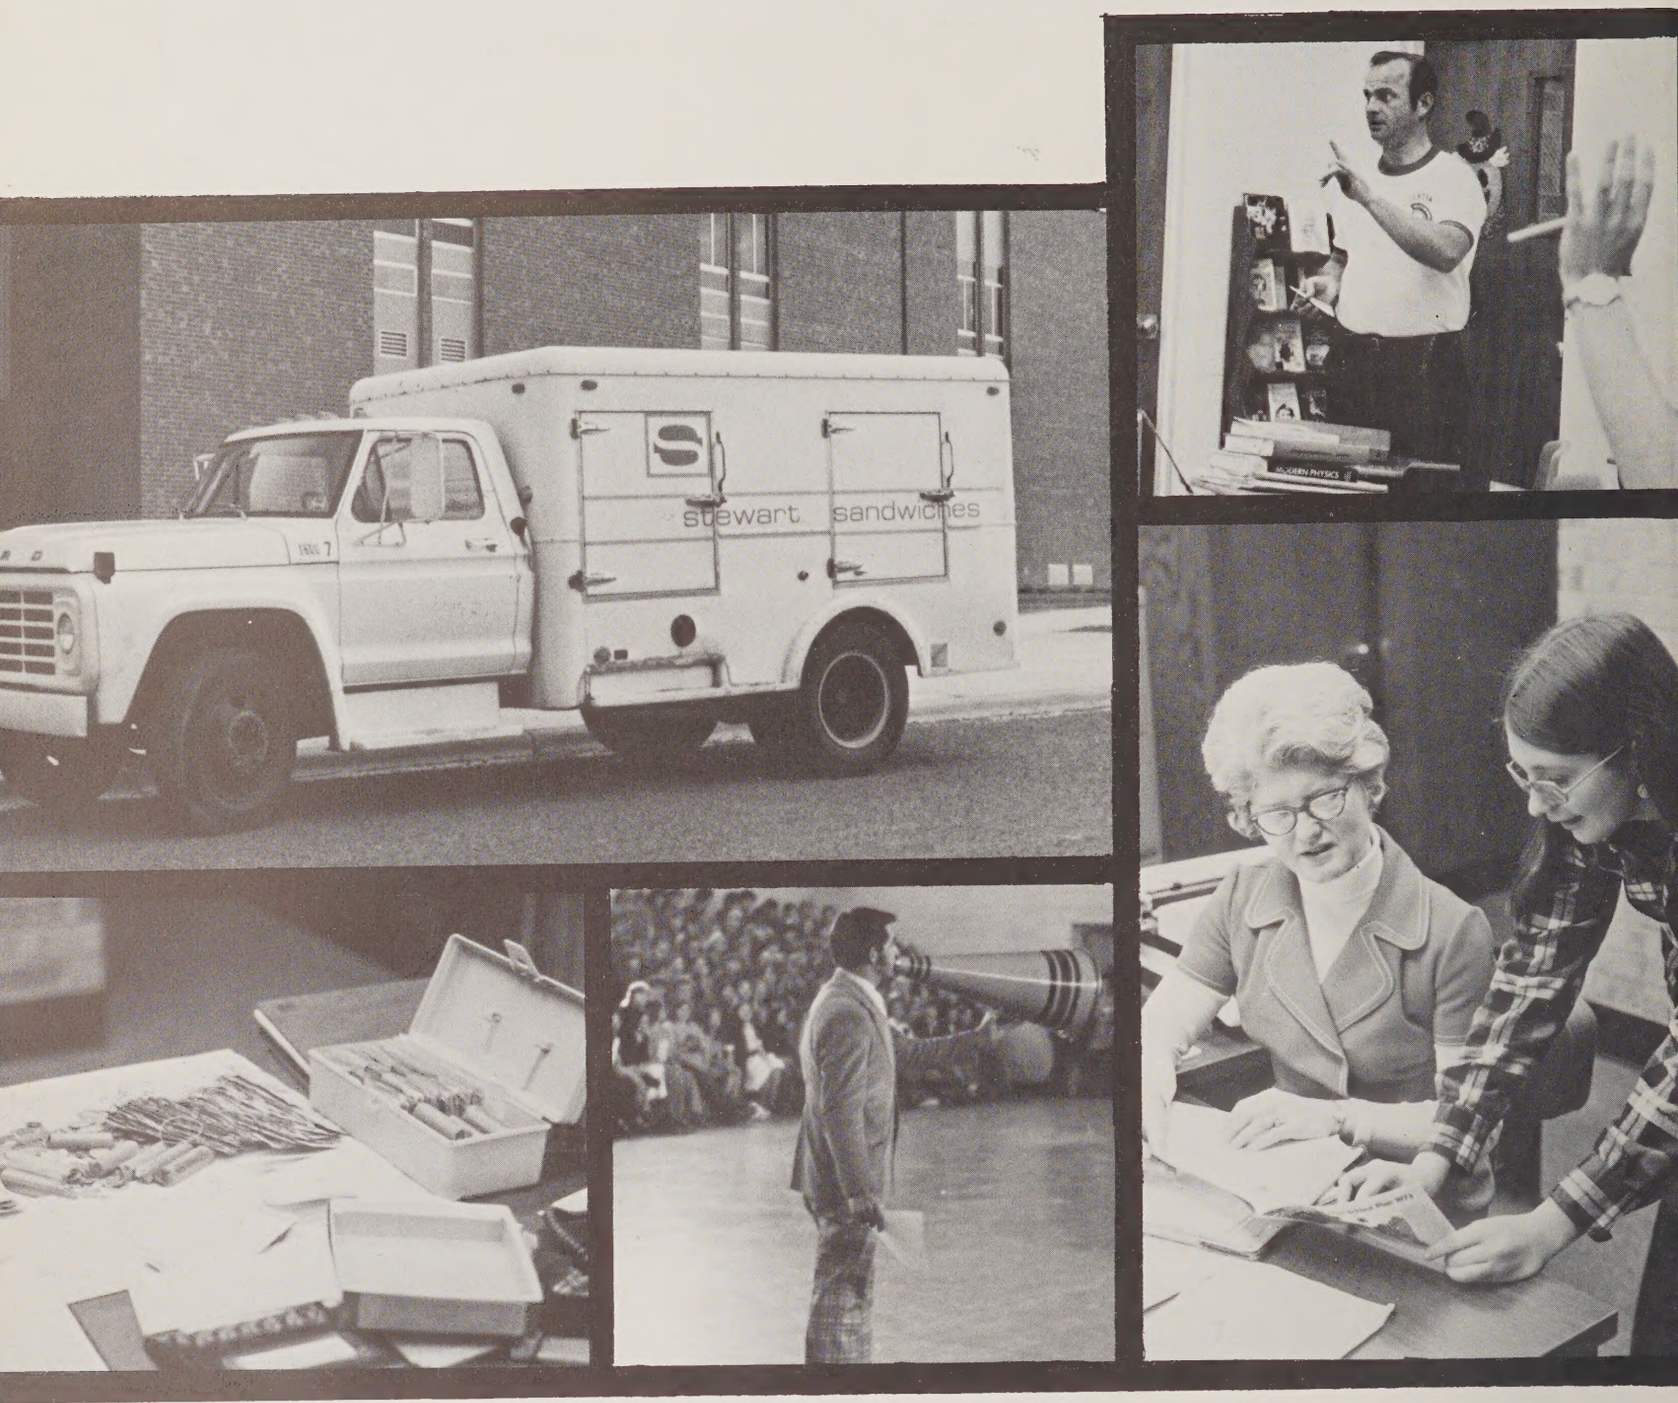
Having a car means going places. So does having a bike, a boat, a motorcycle. Even a bus or two good feet can take you where you want to go if you start out in the right direction.

We the "now people" are going places. We have a goal, a destination, and we have the determination to reach it, too.



sellin'

Selling! Buying! Candy! Combs! Trashcans! Candles! Tom-Watt? Who's Tom-Watt? "Buy from me. No, buy one from me!" Be the top salesman! Win a car??!! These phrases have been familiar to everyone at Central this year. In the black? In the red? In which direction will C.H.S. go?

The student government has been very active this year. Along with the six other student governments in the county they have met at various schools to discuss problems in the different schools and ways to solve them. Their other activities included sponsoring school dances, queen elections, freshman initiation, and acting as the voice of the students to the administration.

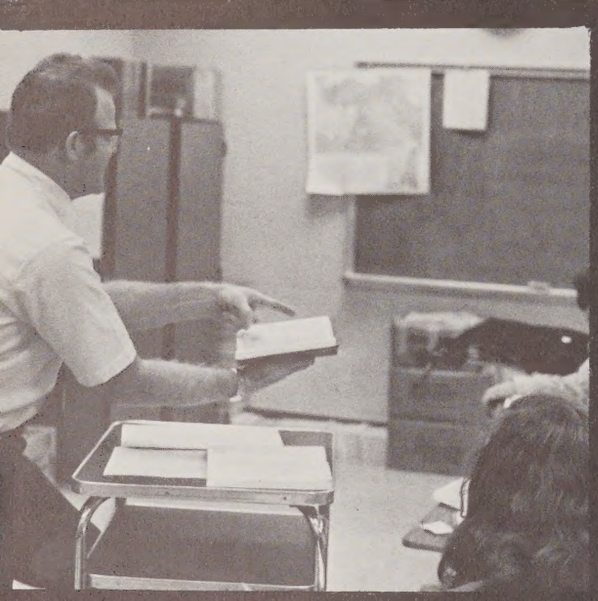
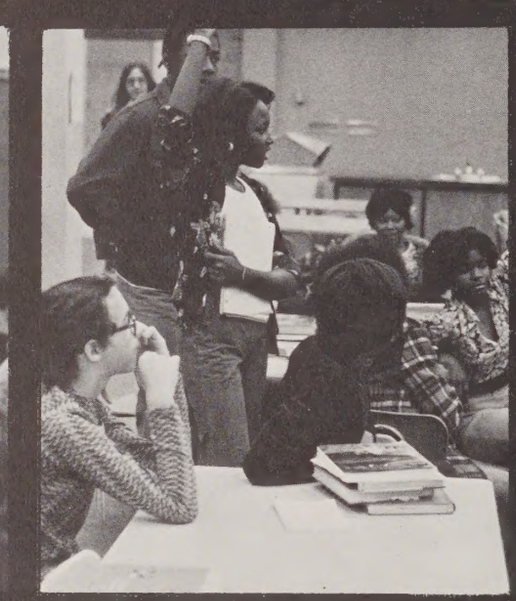
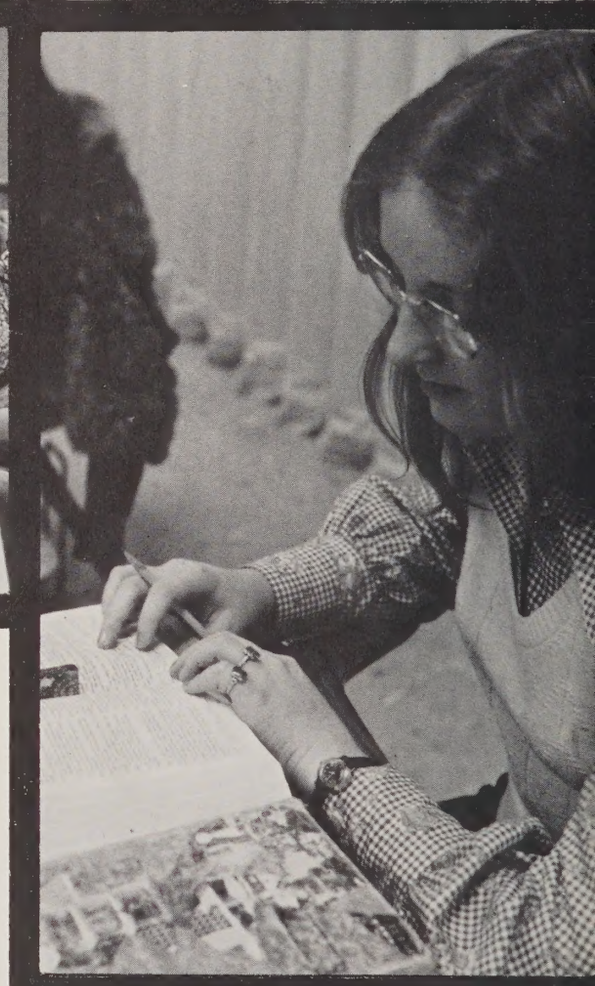
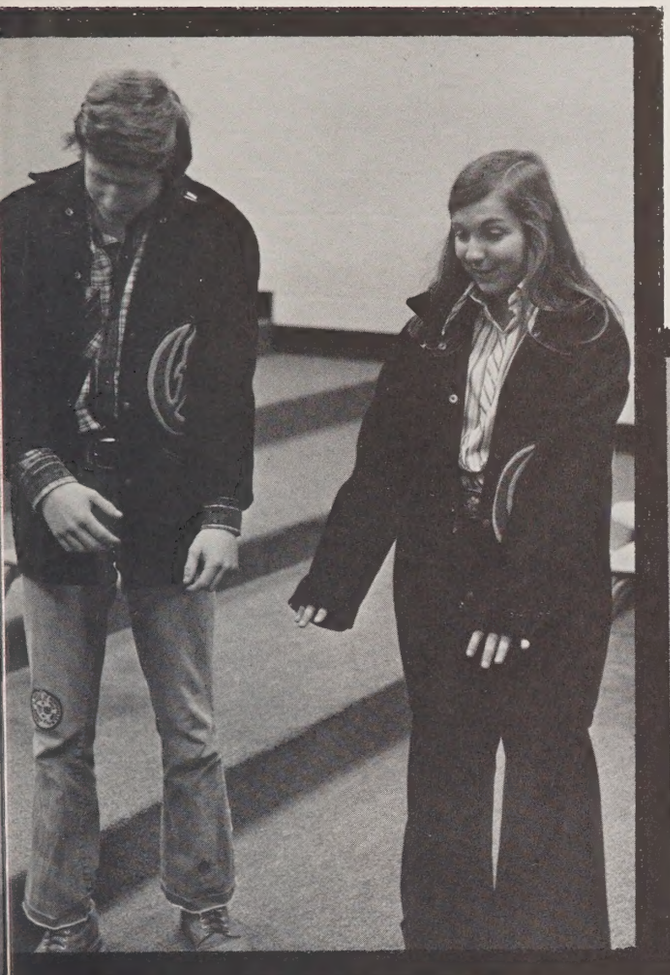
This years Bible Club, a group of concerned Christian young people, was quite active. They sponsored Mike Cloer, who spoke to the students on the theme of "Youth for Truth." They also sponsored a movie as well as a meeting to study and discuss current youth oriented theological problems. The members, from many churches in the area, met on the common ground of the Bible to try to understand one another's beliefs as well as gain a better understanding of their own.







The Black Culture Club dealt with the history of the Negro race. The club sponsored a program that presented the culture of the blacks from the past to the future. The program consisted of oral presentations, poetry, and dances. This club has members from both the Jr. and Sr. Highs. The club sponsors are Mr. Sink representing the Sr. High and Ms. Breitenstein from the Jr. High.



The F.C.A. and Monogram Clubs, which have been inactive for the past two years, were reorganized this year. Sponsors of the F.C.A. are Miss Robbins and Mr. Chapman. Mr. Chapman is also sponsor of the Monogram club along with Mr. Johnson. The Monogram club members are those people who have earned a letter by participating in some sport or related activity. A highly prized symbol of this achievement is the athletic jacket that members of this club can purchase. Letters and sports pins are worn on these with great pride by the athletes. The Monogram Club sold Central Spartan car tags, as a project.

Life is a mystery to be lived, not a problem to be solved.

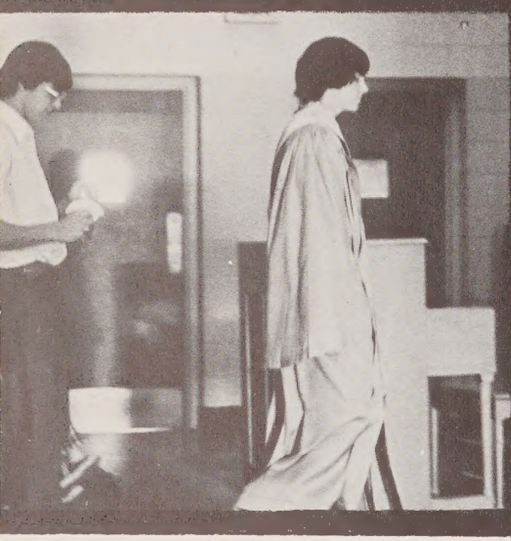
"You've Come A Long Way, Baby"...

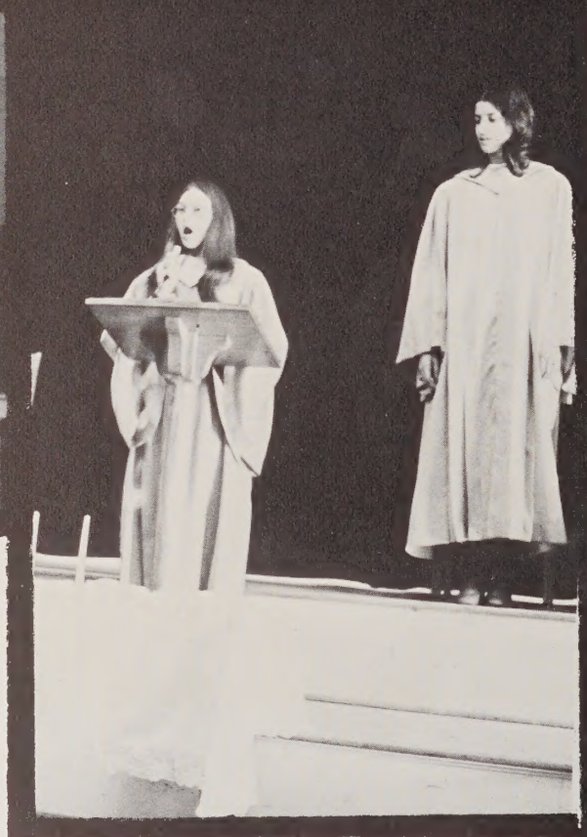
Road maps... road signs... directories... "read the directions carefully"... east... west... north ... south... right... left... "follow the directions." ..."where do we go from here?"...

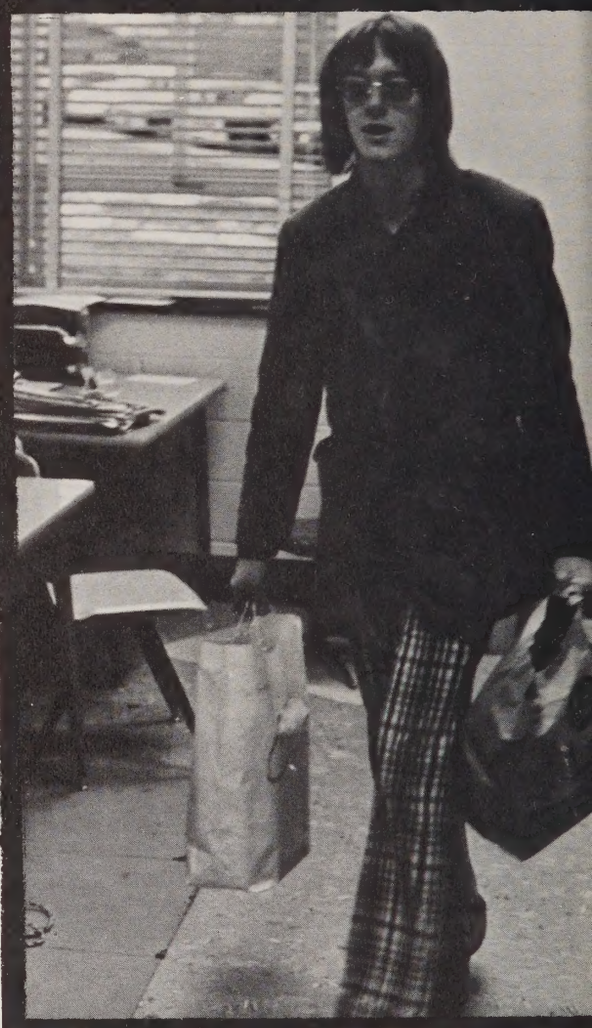
Familiar words... familiar phrases... a part of our everyday life... a part of us. From the day we first entered Central we felt confusion about which corridor to take, where to find a certain room, whose instructions we should follow—— All the decisions we made pointed us in certain directions—— directions that sometimes brought us to dead end roads. Start over... try again... find a new direction.

And so it goes through the years—— Sophomore, Junior, Senior... go ahead... turn around... go back... start over... and suddenly time is gone and only one direction is left... it lies beyond the places and times we have known. Suddenly the markers, the maps aren't so clear—— the directions seem far away and mysterious but there is only one direction to take now—— we must go straight ahead. Detours and new beginnings will undoubtly lie before us but we look ahead, ever hoping that the old ways will lead to new directions.

National Honor Society members: S. Garner, D. Allred, C. Cook, A. Wilson, B. McClung, M. Musgrave, R. Gibson, G. Cook, A. Moore, R. Floyd, S. Wilson, C. Trull, G. Wilson, S. Fulp, B. Brink, P. Barker, J. Hunt, L. Gobble, R. Whitley, J. Shipton, D. Queen, K. Burkhart, P. Crotts, T. Misenhimer, S. Elmore, J. Wafford, Mrs. Inman; sponsor.



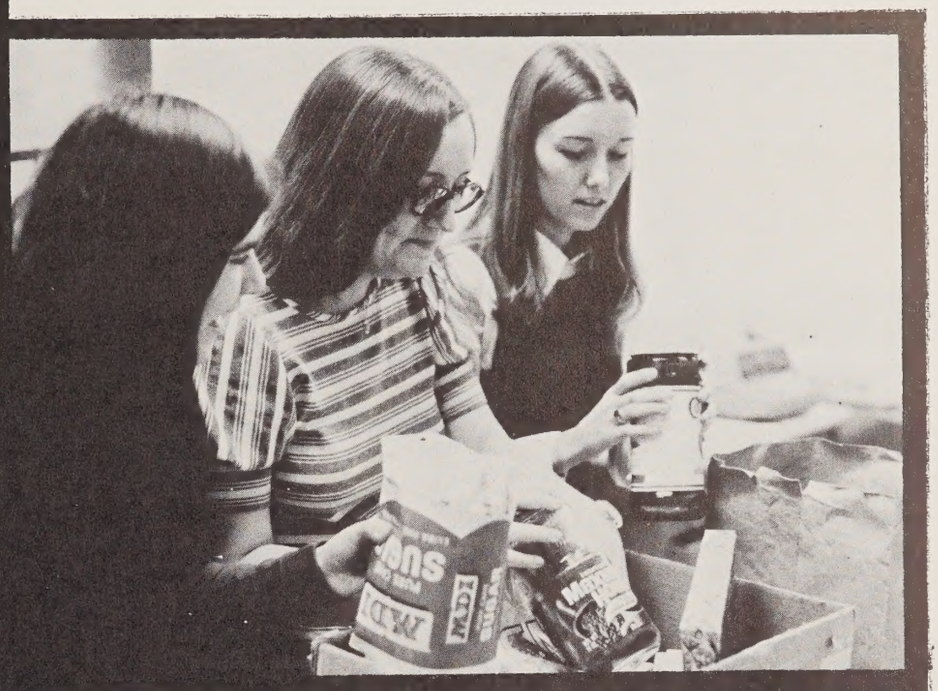


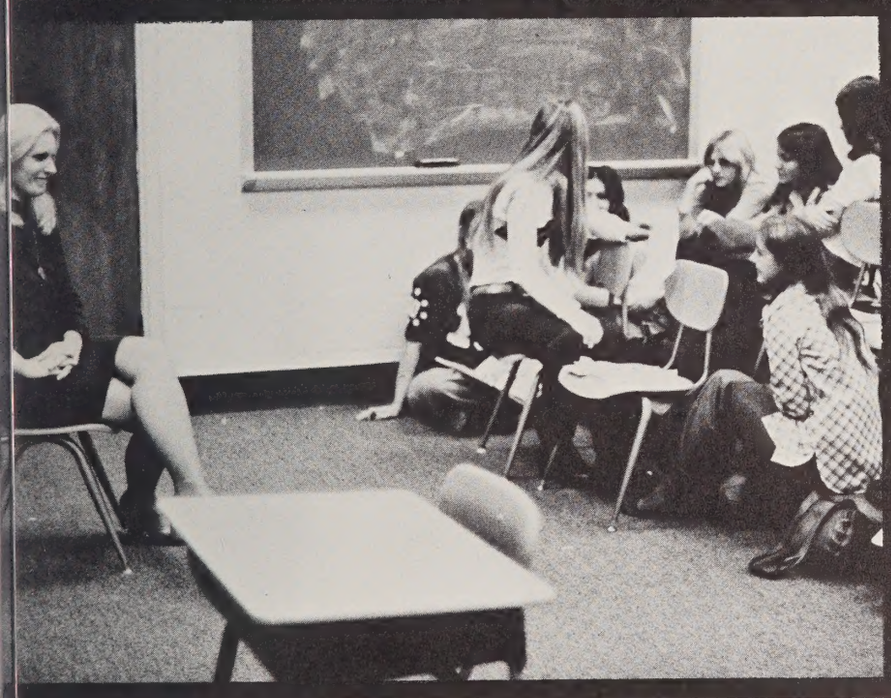


The N.H.S. began to plan for the traditional induction of its new members. Both juniors and seniors were inducted in Oct. increasing the number to 27. Selection into this honor club is based on high grades, high moral character, service to the school and community and qualities of leadership.

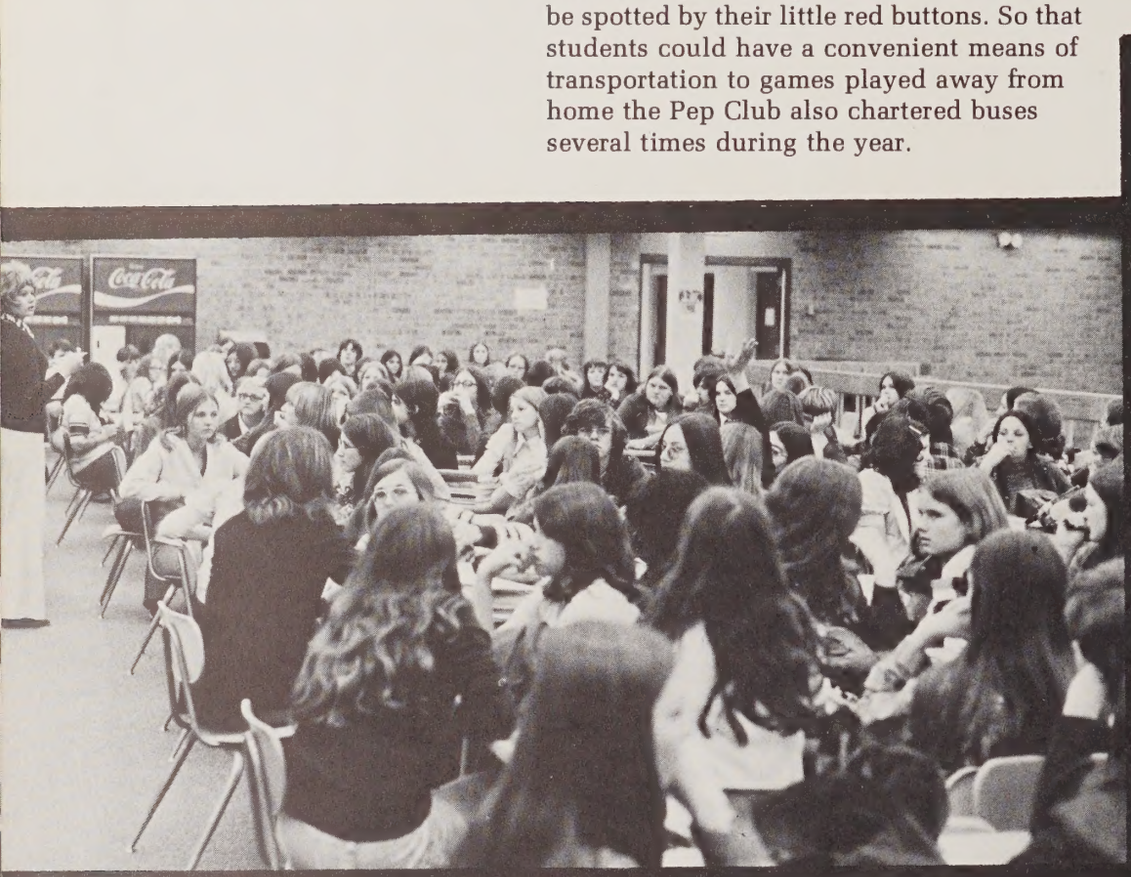
The annual White Christmas Drive, sponsored by the N.H.S., to help families in need, proved to be a great success.

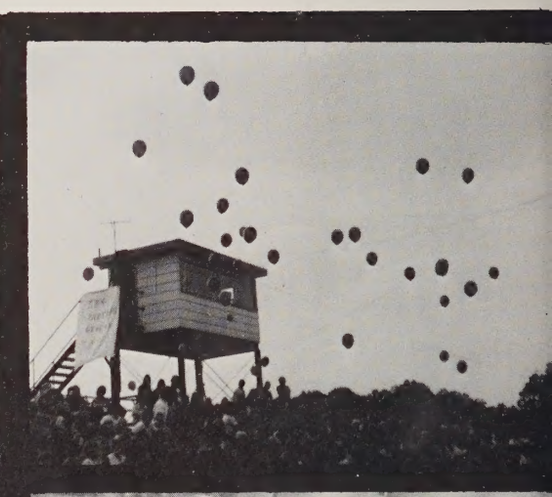
The Junior Civinettes is made up of any junior or senior girl interested in serving people of the community. Along with bake sales, these girls delivered canned goods to a needy family and went caroling at Christmas. The Junior Civinettes is a branch of the Civitan Club and assists them in their annual projects. Our Junior Civinettes sent money to NARC, an organization that aids retarded children.

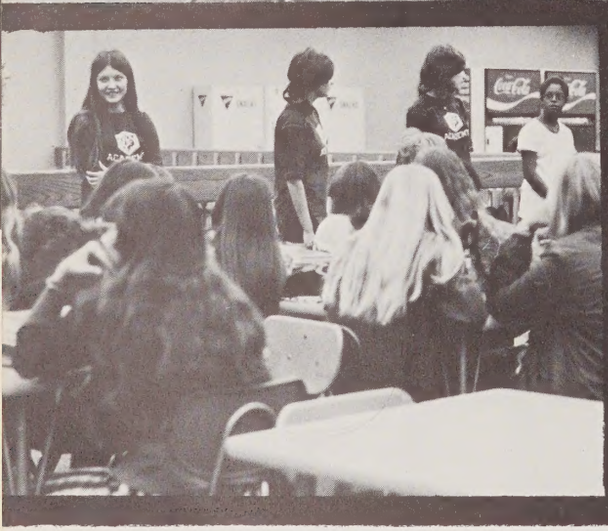


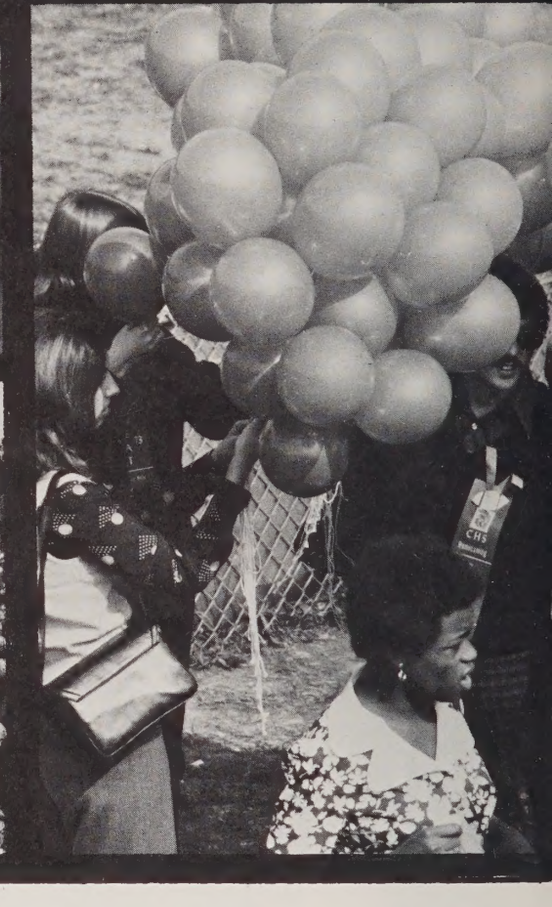


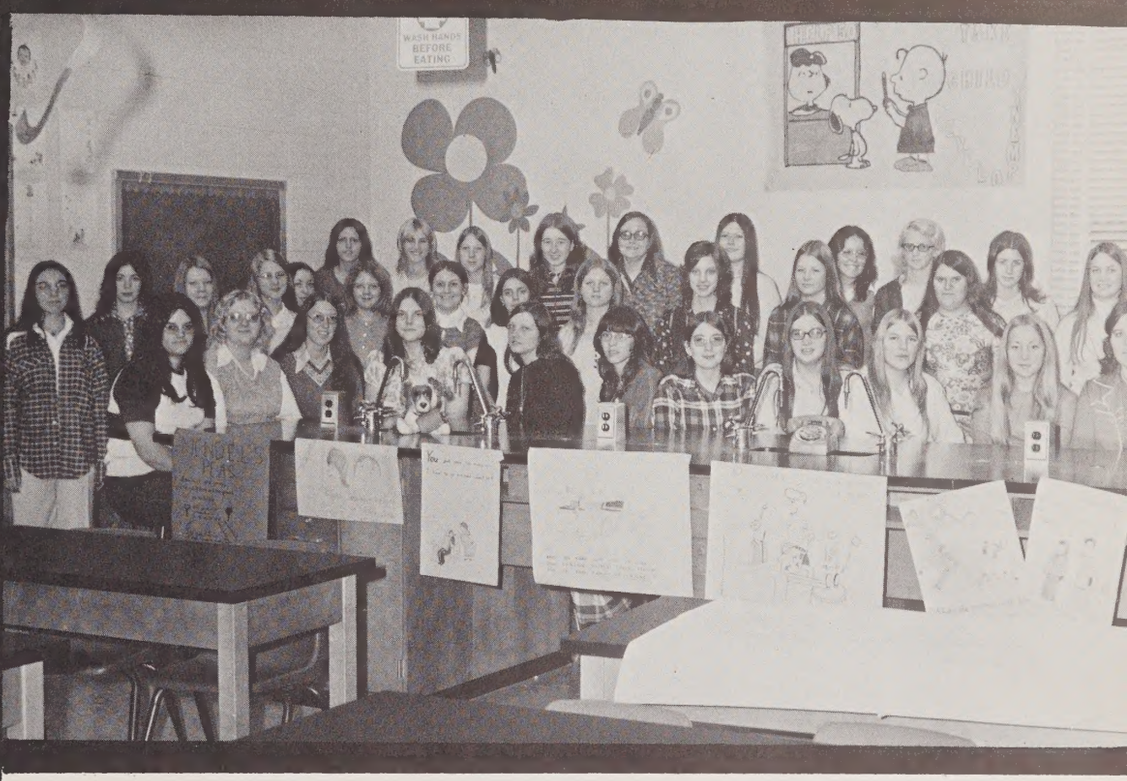
The Pep Club made up of a large group of Central fans, has provided much of the school spirit displayed by students at pep rallies and at ball games. During club meeting, members learned new chants and cheers demonstrated by the cheerleaders. Balloons were the thing this year at peprallies and football games. Each member of the pep club had their own balloon filled with helium from the tank purchased by the Pep Club at the beginning of the year. At basketball games Pep Club members could be spotted by their little red buttons. So that students could have a convenient means of transportation to games played away from home the Pep Club also chartered buses several times during the year.





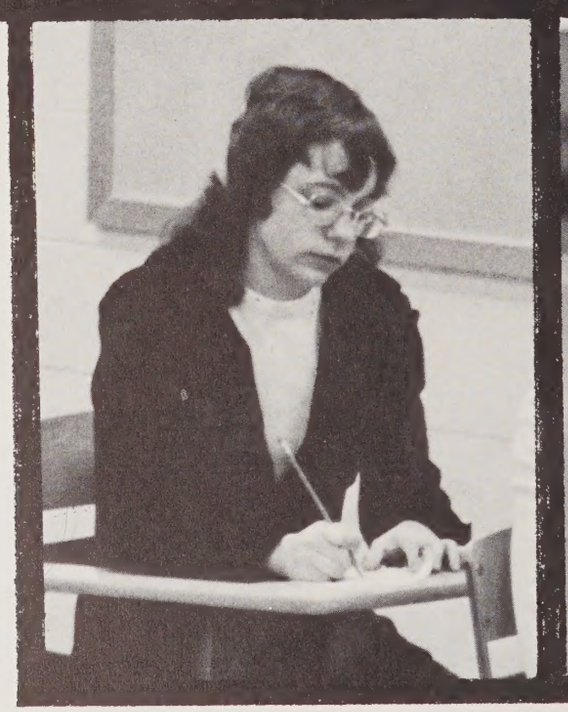


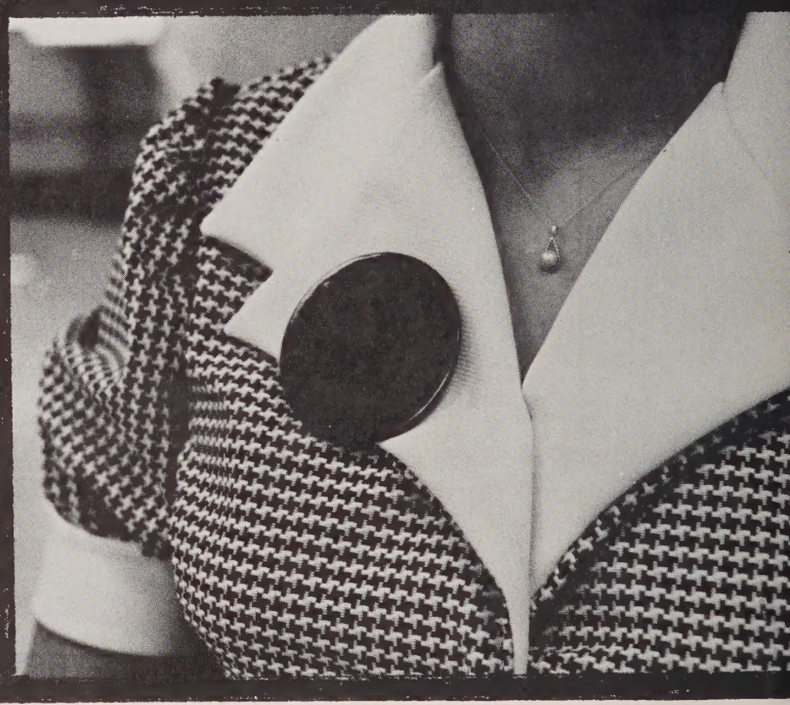




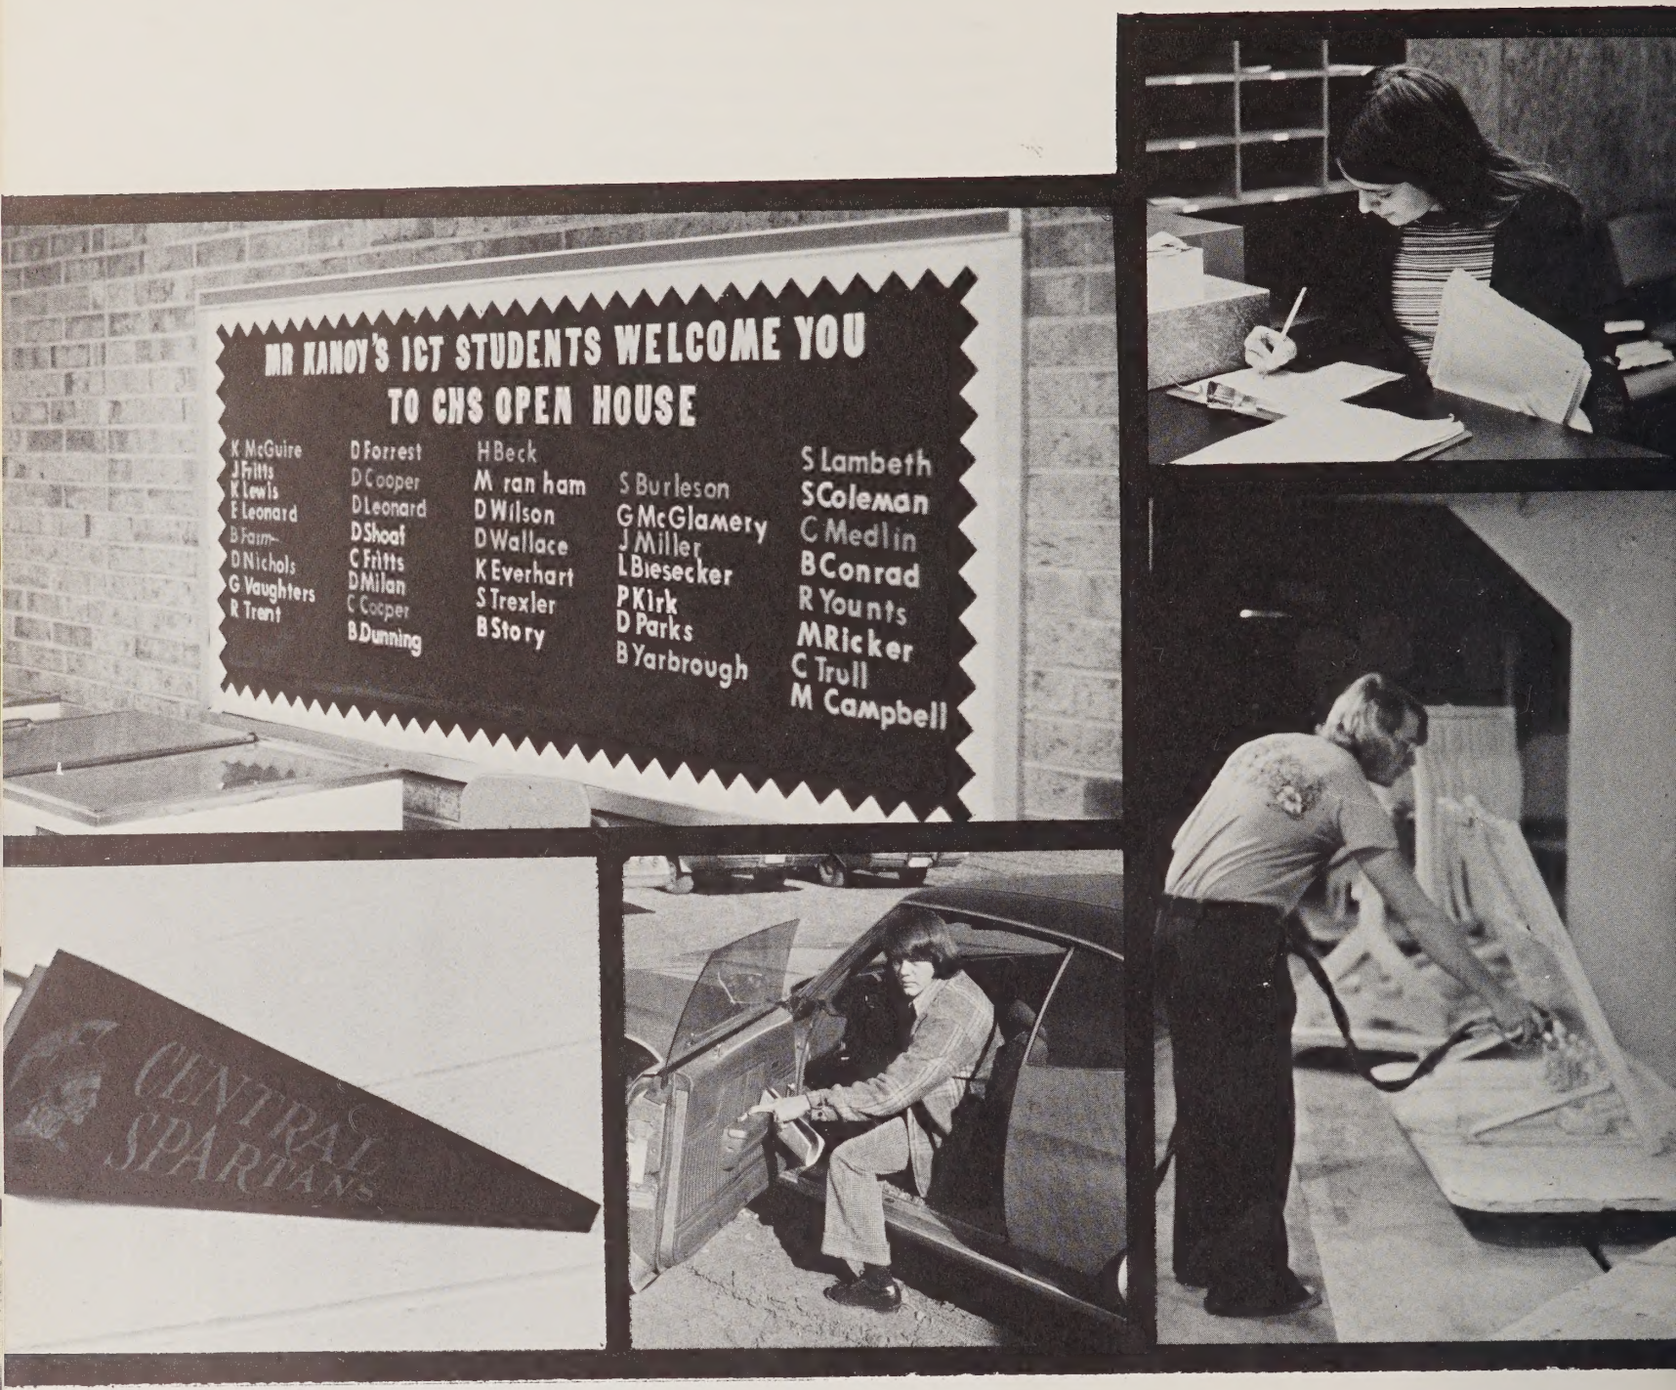
F.H.A. started its year off right by having a pajama party where all new members were initiated. This year with Mrs. Auman and Mrs. Carrickhoff, as advisors the club has purchased a microwave oven. The F.H.A. girls also sold candles to help pay for their banquet and installation services. This year's officers are C. Fallenstein, President; B. Younts, Vice-President; A. Cooper, Secretary; A. Wilkerson, Treasurer; B. Baldwin, Parliamentarian; B. Swing, L. Jarrell, Historian; R. Smith, P. Conrad, Song leaders; B. Smith, Reporter.

The FTA is a club for students who plan to become teachers someday. Their projects this year have included selling badges which read "Happiness is being a Spartan" and selling decalcomanias, better known as decals. On February 14, they gave the faculty members a tea after school. The officers are Ann Trexler, President; Sabina Davis, Vice-President; Robin Gibson, Secretary; and Angie Hall, Treasurer. The FTA is sponsored by Mrs. Talbert.





The L.A. Martin Chapter of the national organization, Quill and Scroll, is made up of juniors and seniors who have contributed in some way to either the Spartacus or the Spartan. On Jan. 16 the induction ceremony was held at Yarborough's Restuarant. A buffet dinner for new members, old members, and their parents was followed by an impressive induction ceremony at which time new members were pinned and given the pledge of the Club. In order to help pay for this induction these members, along with other journalism students, sold Tom-Watt products earlier in the year.



All students who take ICT are also members of the Vocational Industrial Clubs of America better known as VICA. This is a local, state, and national organization of boys and girls enrolled in trade and industrial education classes.

The VICA club sponsored the project of selling school banners. The money will be used for those students entering the district and state VICA contest.

If oranges and suppers at the Red Barn ring a bell then you must be a member of the F.F.A. The Club sold oranges at Christmas as a money raising project. The project proved to be a huge success as over 992 crates were sold.

Each year the F.F.A. sponsors a tool identification team to compete with other county teams. For the past two years, Central's team has come home with the first place award.

Central's F.F.A. chapter has excelled in more areas than tool identification. This past summer at F.F.A. camp at White Lake, Central's teams placed first over all intramural activities. The club is made up of students from the Agriculture I and II classes.

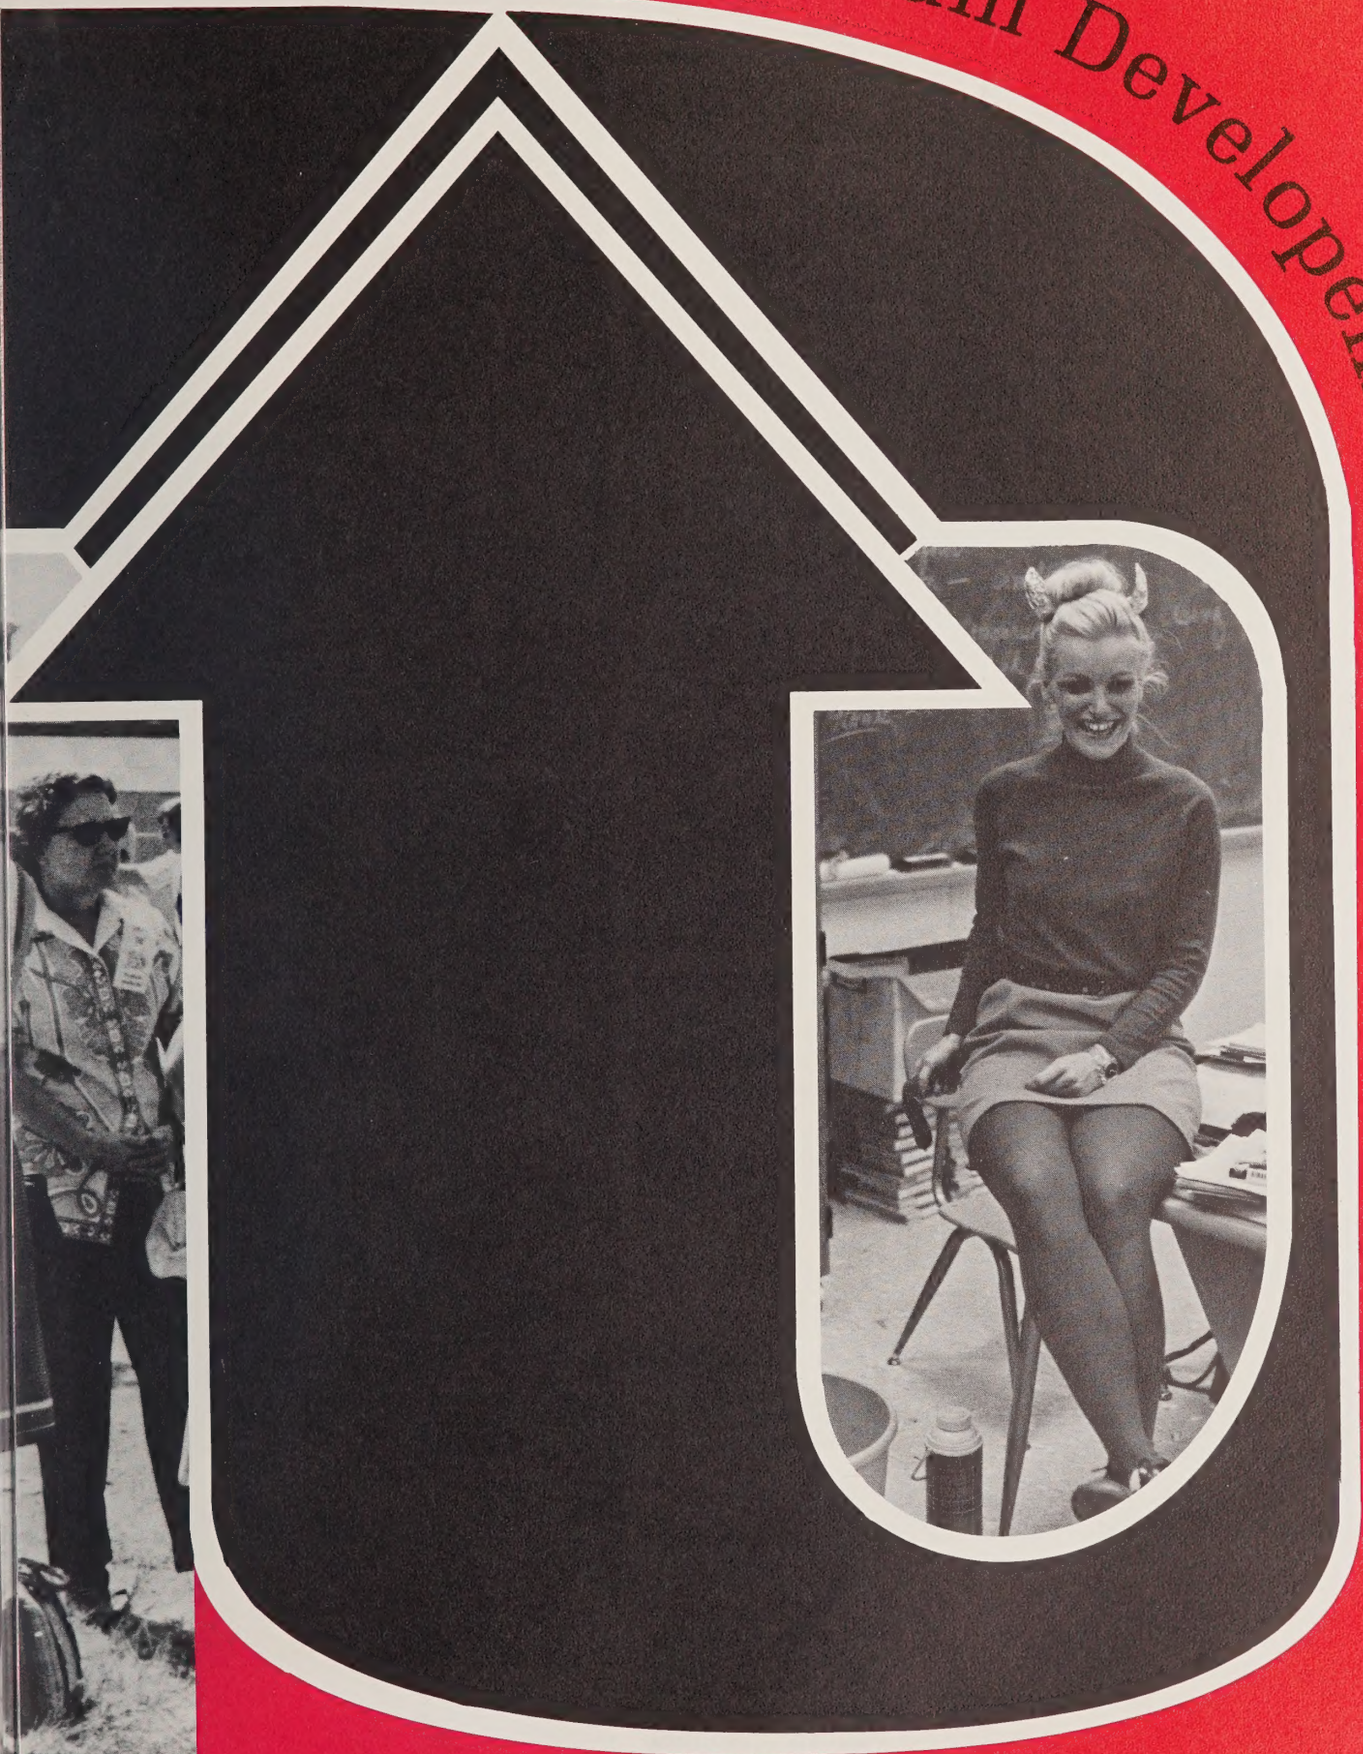
Curriculum Developement



Semester Courses Add New Look

Miss Ronda Robbins Journalism — American Novel — Plays and Playwrites — Short Stories — Sponsor of Cheerleaders, senior class, and F.C.A.

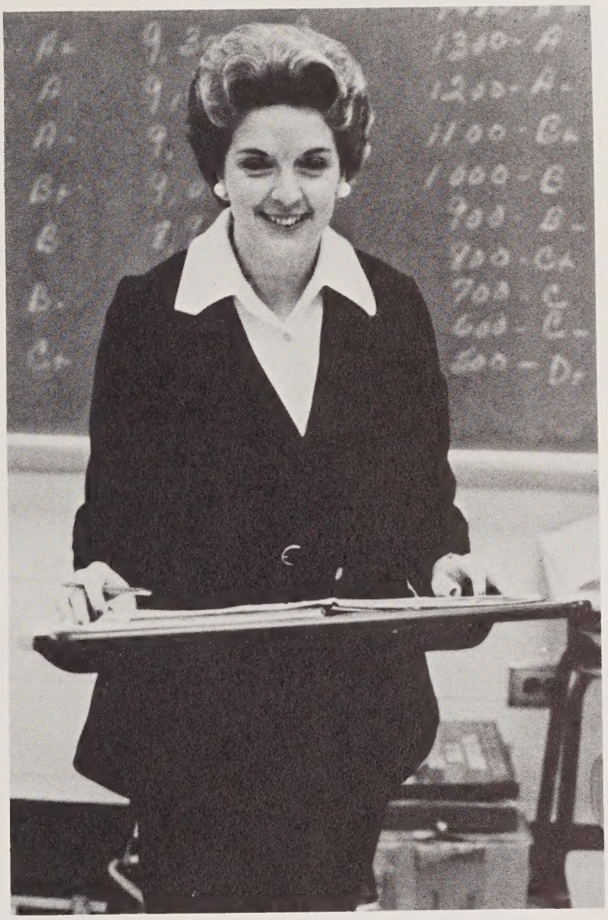
Mrs. Ophelia McClung — Reading Improvement — Career English — Freshman English — Freshman Class sponsor.

Ms. Denise Lackey — World Literature — Freshman English — Sponsor freshman class and Pep Club

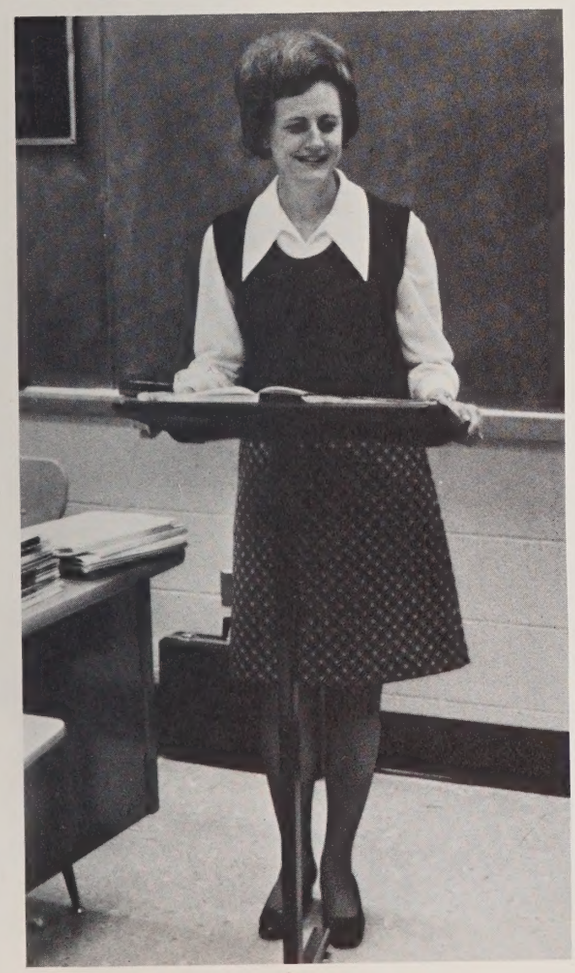
Mr. James Lyerly — Refresher Grammar — Short Stories — Bible Literature — Creative Writing — Sponsor sophomore class, Bible Club.

To English Curriculum

Mrs. Karen Hollingsworth — Drama — Mass Media — Shakespeare — Creative Writing — Sponsor Junior Civinettes.



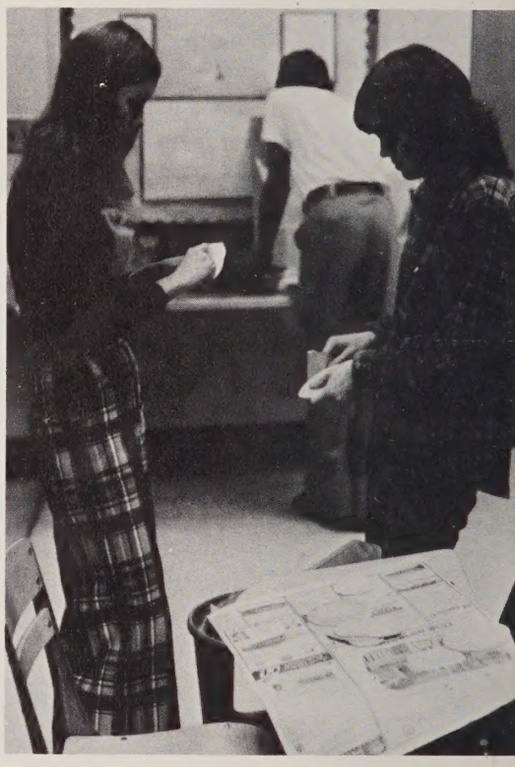
Mrs. Martha Power — Mythology — Poetry — Journalism I and II — Mass Media — sponsor, senior class, Quill and Scroll, The Spartan, The Spartacus — Chairman, English Department.



Mrs. Hannah Hollifield — Freshman English — Art, Freshman class sponsor, chairman Art Department.

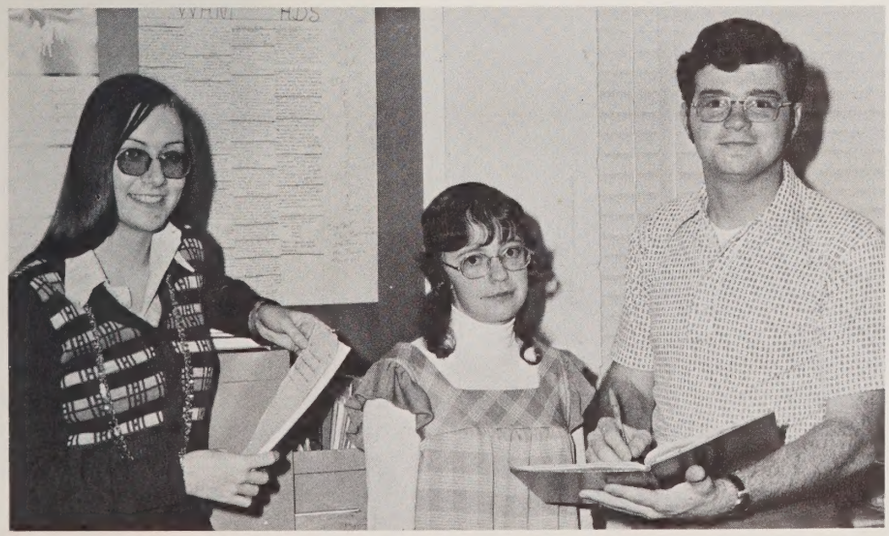
Creative : Art

Art Class: Self-expression . . . talent . . . creativity . . . all are given a chance when the brushes and pencils transform from mind to paper the images that art students see and feel. They learn how to use charcoal, pastels, acrylics, and other art mediums to the best advantage. In the spring the students have an art exhibit for both showing and selling their work. They come away a little richer and their fellow students become the proud owners of some fine original art.

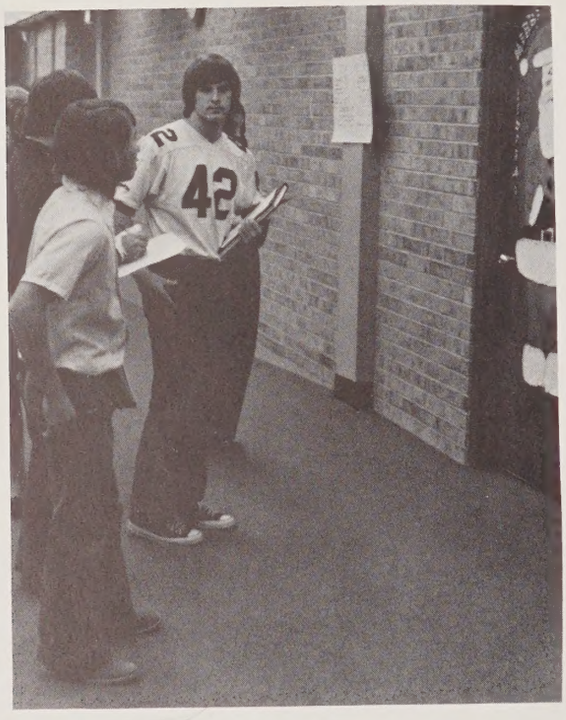


THE SPARTAN STAFF wanted a new look in an annual to go along with the new look of the school. It was fun to choose new places for pictures to be made, but surprisingly, we missed some of the old "haunts." To show our pride in the new building we gave it our best coverage — the covers of the annual. With little space to work it was a tedious task to put together a book that the staff and all CHS students would like. That malady called "I'm sick of the annual" hit us all but fortunately we recovered in time to put together a book that we were all proud of.

Some of you have probably noticed the lack of a dedication of the annual. Somehow we felt a book so important as this one was difficult to dedicate to any one individual. Instead we want to dedicate it to all those students and teachers who have, through their foresight and hard work, made the vision of new directions a reality. Members of the staff are: Amelia Wilson, Editor; Bonnie Younts, Asst. Ed; Philip Crotts, Bus Mgr.; Robin Gibson, Asst. Bus. Mgr.; Jimbo Hunt, Scotty Curry, Sports Eds.; Keith Curry, Rita Kindley, Kenneth Hall, Joyce Walker, Student Eds.; Karen Arnold, Club Ed.; Genindle Cooper, Pam Crotts, Typists; William Bailey, photographer; Mrs. Power, advisor.



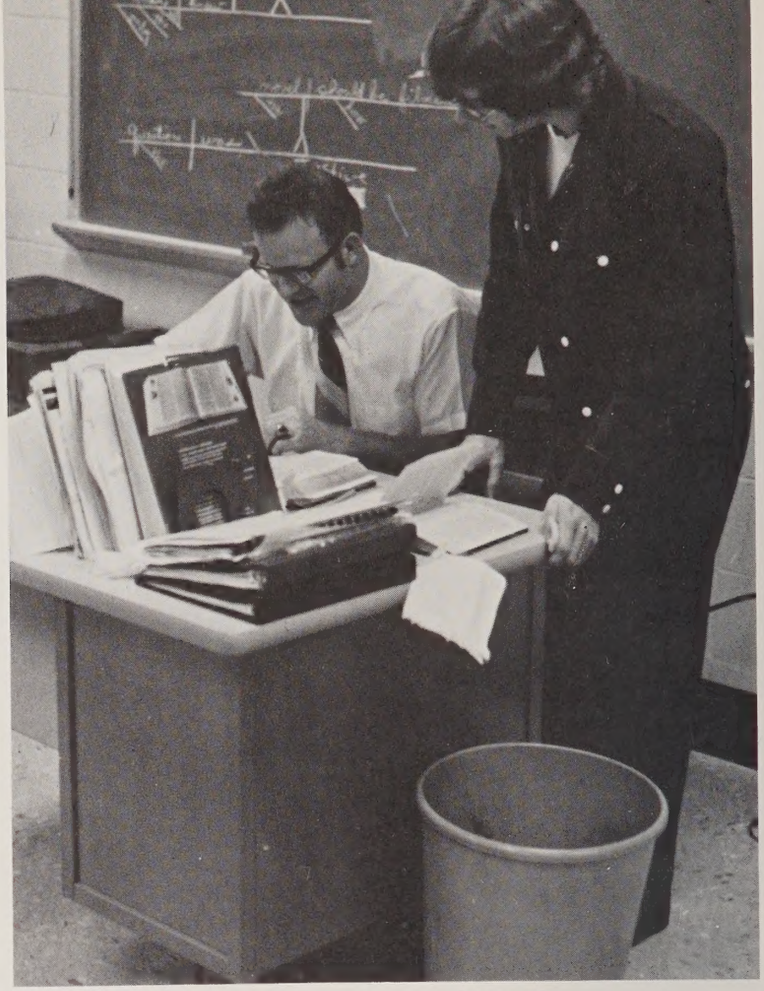
Spartans Make the News!



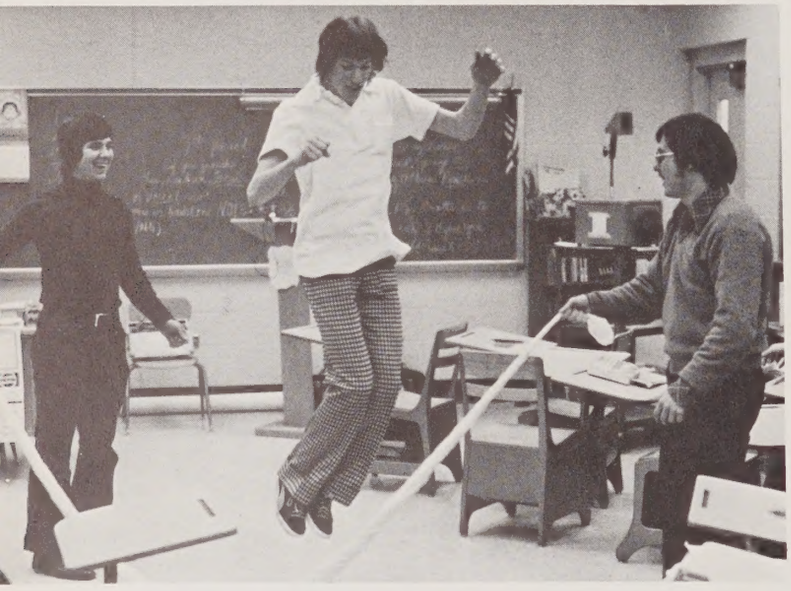
The 1973-74 Spartacus staff published nine newspapers including a special Homecoming and April Fool's issue. A student handbook was published at the first of the school year. The Christmas door decorating contest was a new activity taken on by the newspaper staff. Since the school lacked facilities for assemblies, the newspaper served as an important means of communication of activities and events during the school year. The Spartacus staff members are: Co-editors, Cynthia Cook, Bill McClung; Business Manager, Sherry Garner; Lay-out Editor, Ginger Williams; Artist, Kathy Hunt; Assistant Artist, Rusla Whitley; Feature Editor, Amy Hargrave; Sports Editor, Jeanie Hedrick; Circulation Manager, Robin Smith; Typist, Johnny Pope; Photographer, Garry Wilson; Reporters, Johnny Allen, Freda Grubb, Terry Henthorn, Lawrence Hurd, Shirley McGirt, Ramona Power, Becky Smith, and Martin Swing.

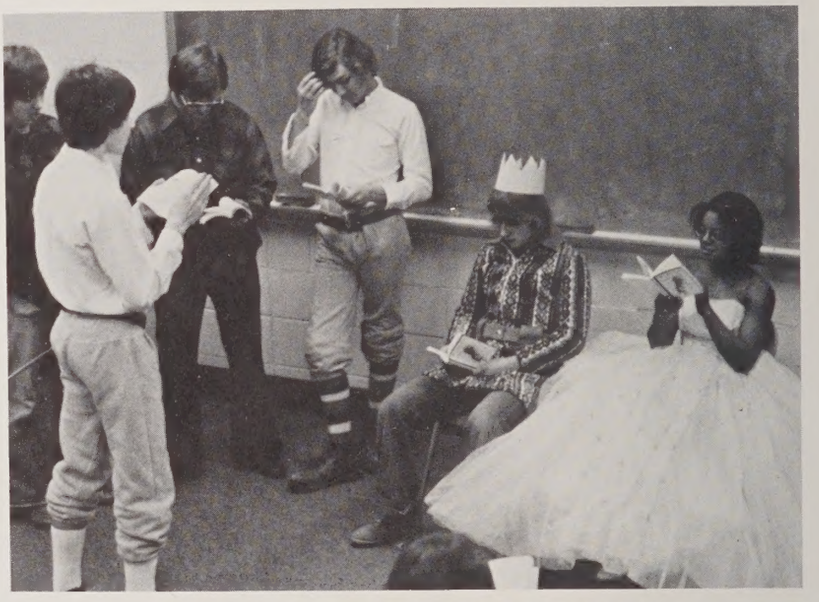
"All the World's A Stage . . . "

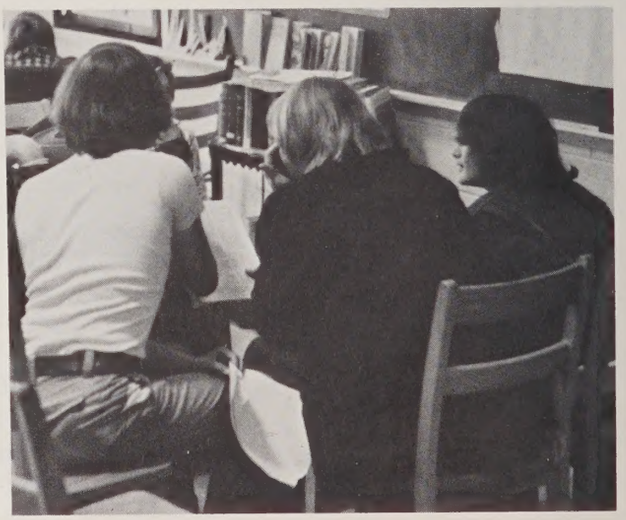
Students found that Christmas plays can be fun even in January! Four days of snow and Christmas vacation delayed the drama class's first productions until January 14th. The old favorite "Gift of the Magi" and the humorous "Too Much Mistletoe" were well cast and presented. These short plays gave the students good experience in preparation for their big spring production. The trek to the old school for practice in the auditoruim created problems but the students soon learned that the show must go on!



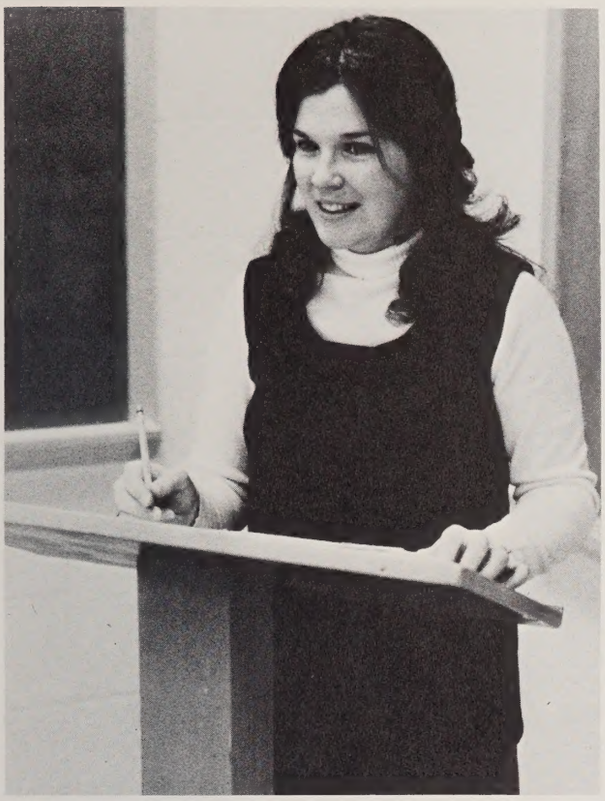
The English Department moved in many directions this year. After hours of planning and preparation, courses for grades 10-12 were changed to semester courses. Students could choose those areas of interest or need which best suited them. Reading Improvement, Mass Media, Career English, World Lit., American Novel, Mythology, Poetry, Refresher Grammar, Short Stories, Introduction to Journalism, were added to the all ready existing courses of drama, art, and journalism. New books, new ideas, and the new response of students rounded out the total new look of the English program.



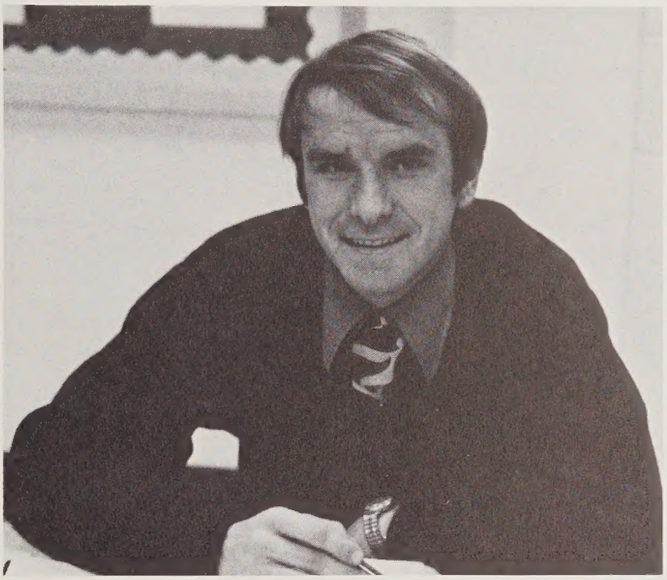




P.E. Teachers Promote Good Health



Mrs. Joyce Carpenter girl's P.E. — Consumer Math — Freshman class and J.V. cheerleader sponsor — Physical Education Dept. Chairman



Mr. Ron Johnson — boy's P.E. — Human Relations — sponsor Monogram Club — Football Coach — Asst. boys basketball coach.

Bus Drivers Meet Requirements for Unit Credits

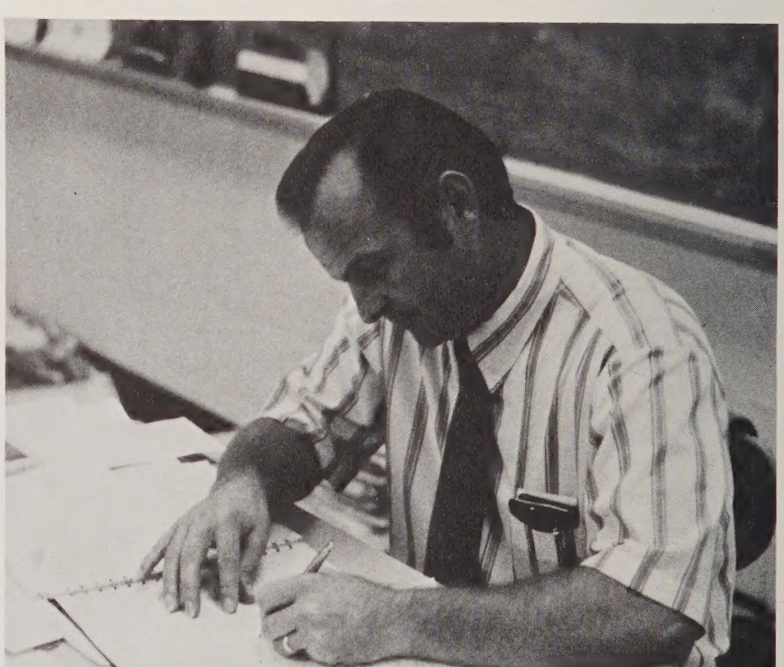
High School Bus drivers are G. Yarborough, M. McDaniels, K. Arnold, B. Beck, V. Lambros, D. Harris, M. Swing, T. Misenheimer, J. Voyles, E. Harmon, R. Hill, E. Lamb, R. Alford, J. Vaughters, A. Kindley, C. Beck, M. Campbell, D. Queen, J. Allen, S. Snider, P. Crotts, K. Burkhart.

Elementary bus drivers this year are: P. Plummer, D. Koonts, W. McMahan, J. Johnson, L. Kepley, C. Hunt, D. Swing, S. Swing, B. Fuller, D. Frazier, E. Varnadore, A. Hargrave, B. Smith, G. Young, J. Spears, D. Mode, R. Waddle, R. Inman

Social Awareness Is Increased

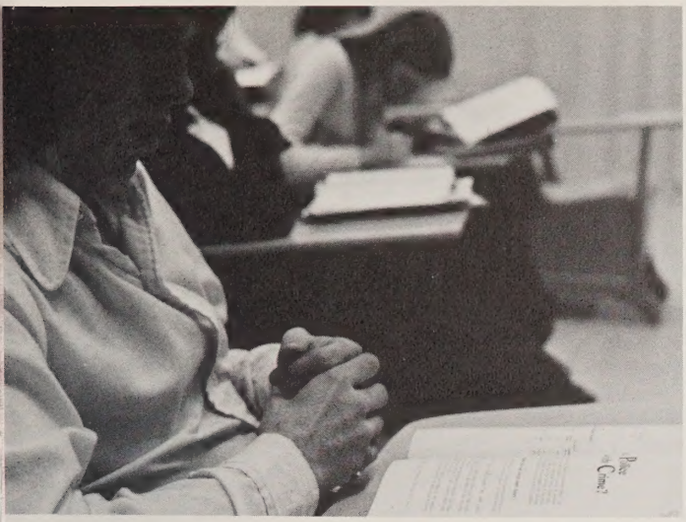
Mrs. Jacqueline Inman — U.S. History 1945-Today — U.S. Wars — Psychology — Great Art and Music Appreciation — advisor N.H.S. — Senior Class sponsor.

Mr. Hayden Thomas — U.S. History 1870-1945 — U.S. 1945-Today — U.S. Wars — You and the Law — advisor Student Gov. Social Studies Dept. Chairman — Senior Class sponsor.



Mr. Ronald Chapman — U.S. History 1870-1945 — U.S. 1945 to Today — Travling in the U.S. — Human Relations — Advisor of Monogram Club and F.C.A. — Athletic Director — Head Football and Boys Basketball Coach

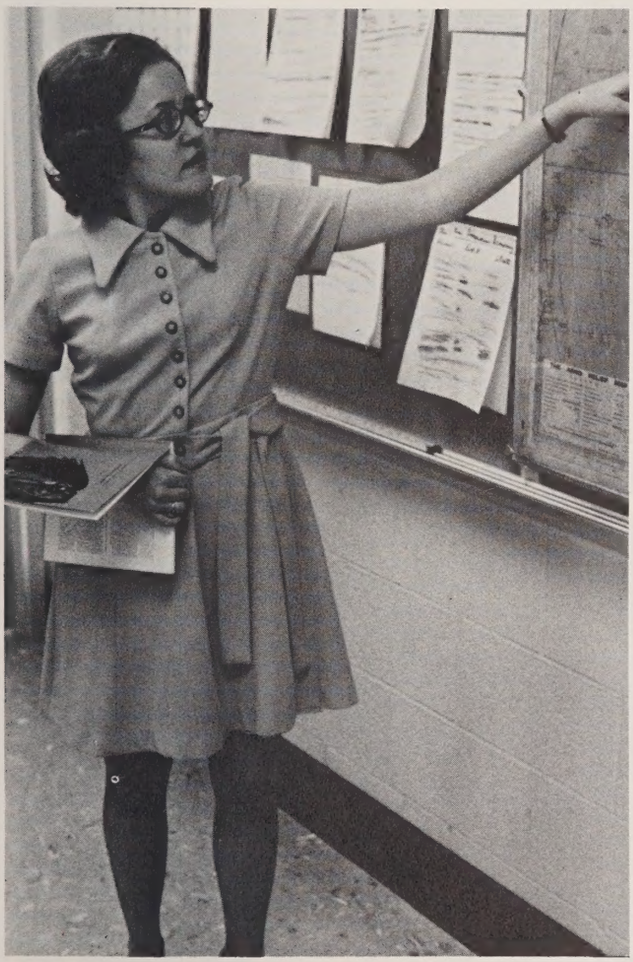
By New Semester Courses



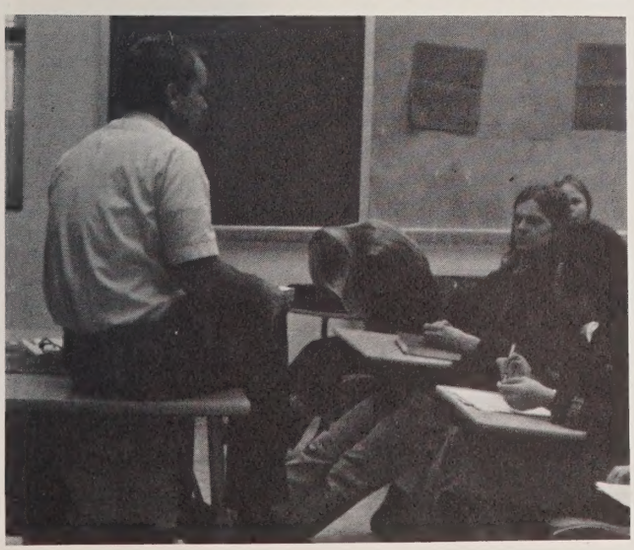
The Social Studies Department has changed its curriculum beginning this year in order for students to have a greater variety of courses from which they may choose.

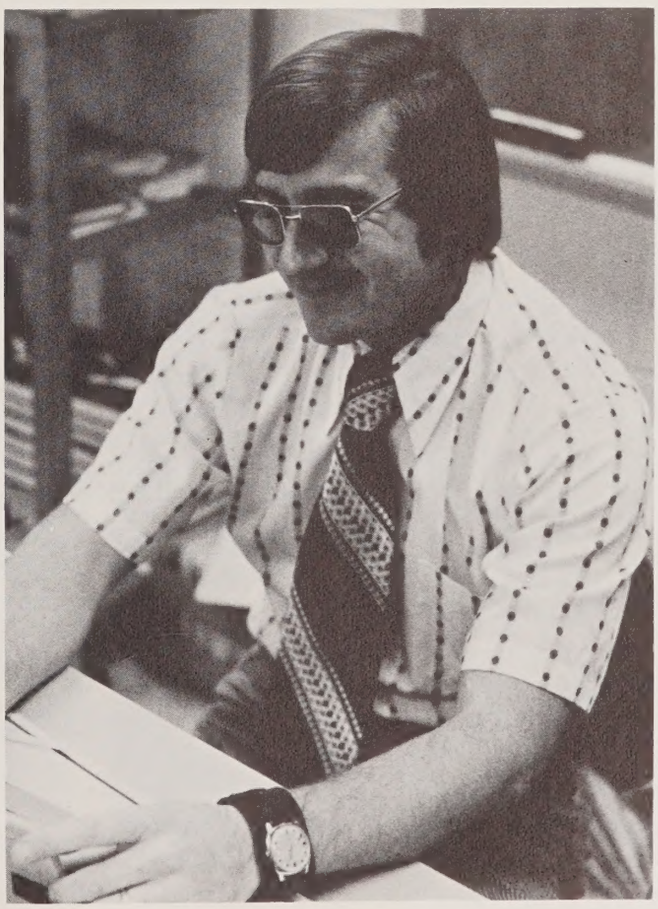
In the past, sophomores, were required to take World History and juniors had to take U.S. History. The new requirements are that each student must take four semesters of social studies, two of these in U.S. studies. This year most freshmen, sophomores and juniors have tried to pass the U.S. studies requirement; therefore, there have been more sections in this area than ever before. These sections have included students from each of the four classes.

Additional courses in this department may be chosen as electives, if students so wish. These include Human Relations, Psychology, Great Art and Music Appreciation, You and the Law, Earning and Spending Money, Davidson County History, and Travel in the U.S..



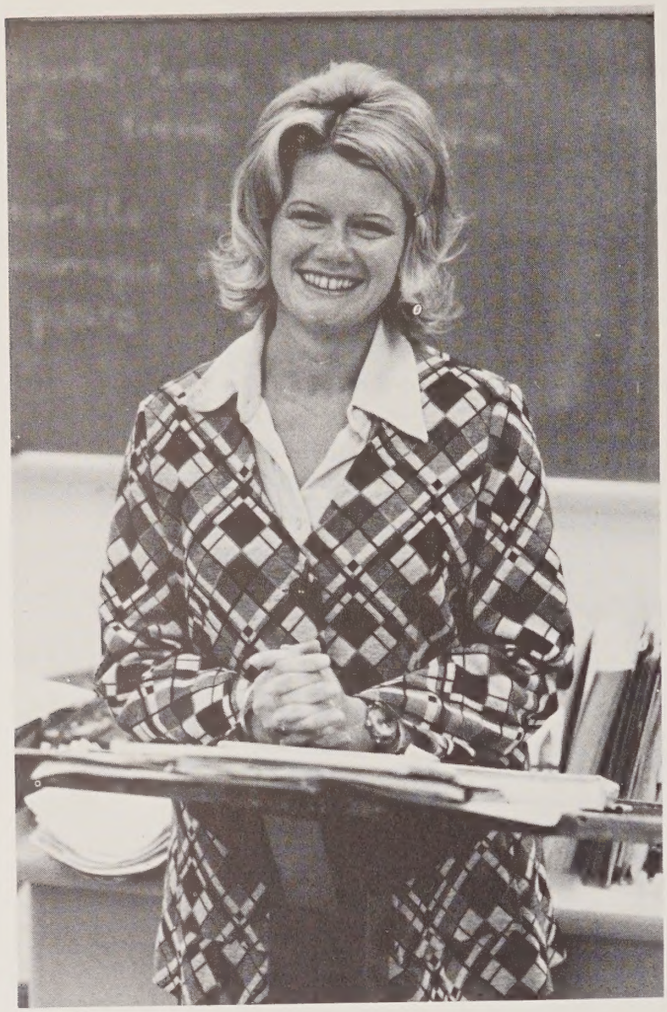
Miss Marguerita Sandrock — U.S. History 1870-1945 — Earning and Spending Money — Human Relations — School Store Director — Sophomore Class sponsor.





Mr. Terry Ball — North Carolina and Davidson County History — U.S. 1870-1945 — U.S. 1945-Today — Head Girl's Basketball and Golf Coach — Junior Class sponsor.

Conversation Stressed in Foreign Language

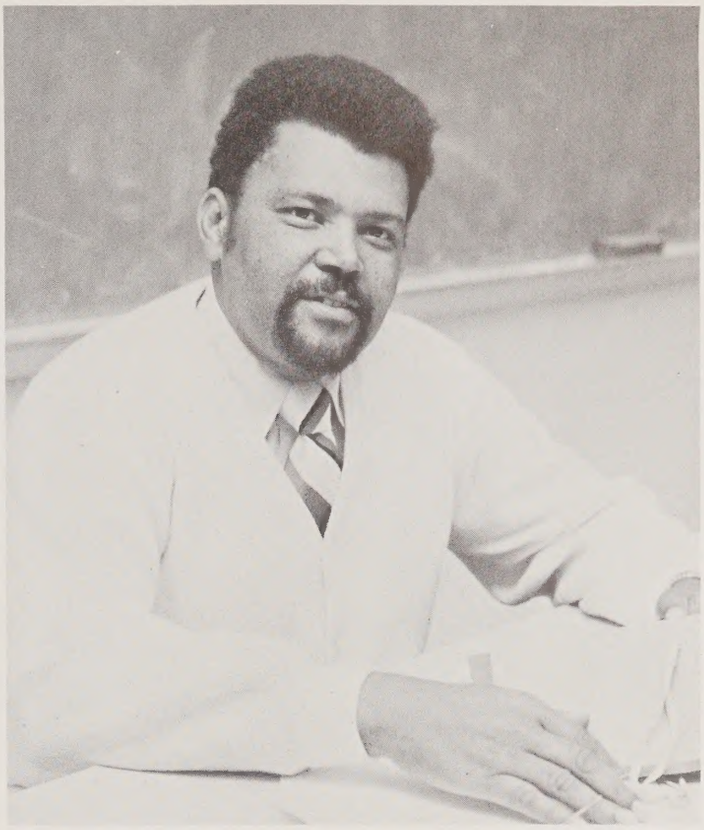


Mrs. Rebecca A. Foust — Spanish I — Spanish II French II — advisor N.C.S. Committee and Pep Club — sponsor majorettes — Foreign Lang. Dept. Chairman — Junior Class sponsor.

The foreign language department is always full of new and interesting ways of learning. The newest aid this year was the use of the video tape, a type of T.V., where students can see and hear themselves speaking a foreign language. Some classes are also on individualized study. The student works on a contract at his own rate. Exchange students from foreign countries also help make the foreign language class an exciting place to be.

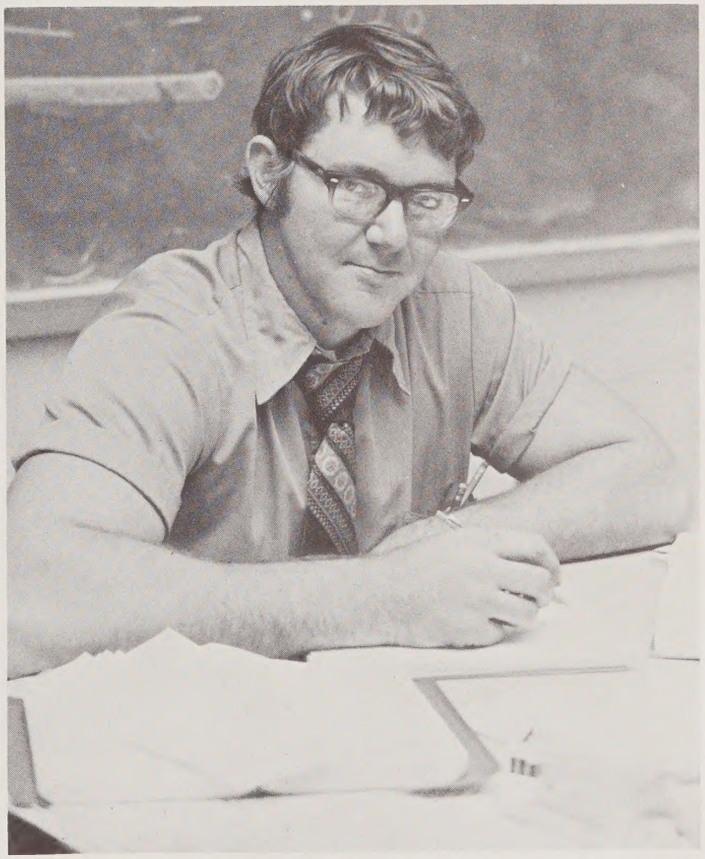
Proofs, Graphs Play Parts in New Mathematics

Mr. Clayton Swicegood — Geometry — General Math — Consumer Math — Asst. Principal — Math Dept. Chairman — Building Supervisor — Senior Class sponsor.

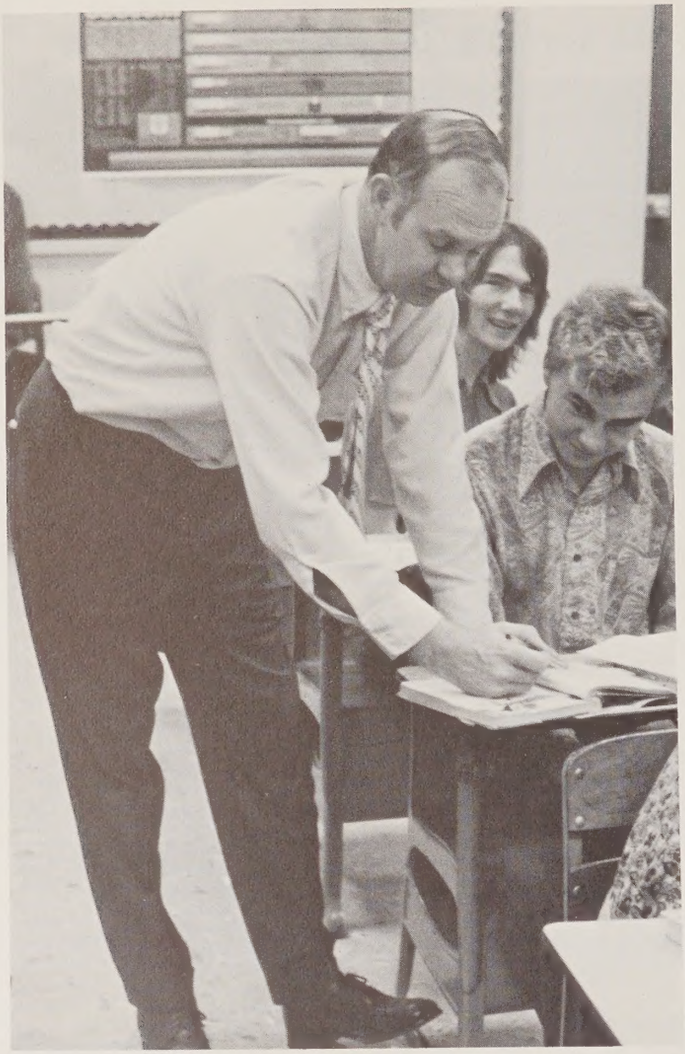


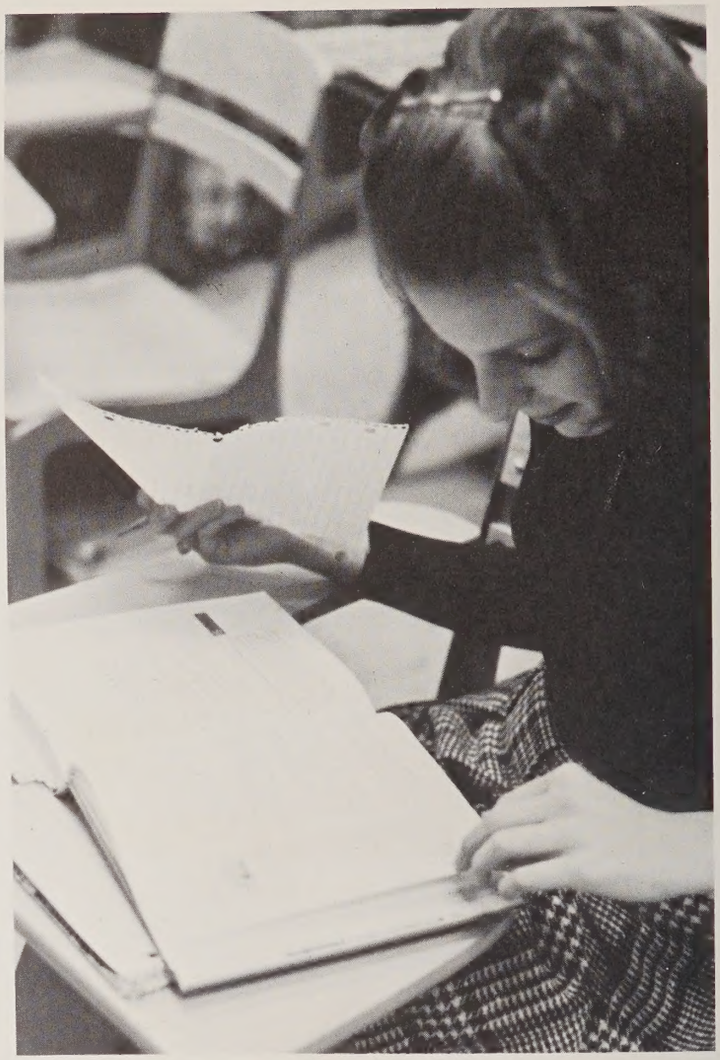
Mr. T.R. Holmes Jr. — General Math — Algebra I — Asst. Principal — Head Track Coach — Buses.

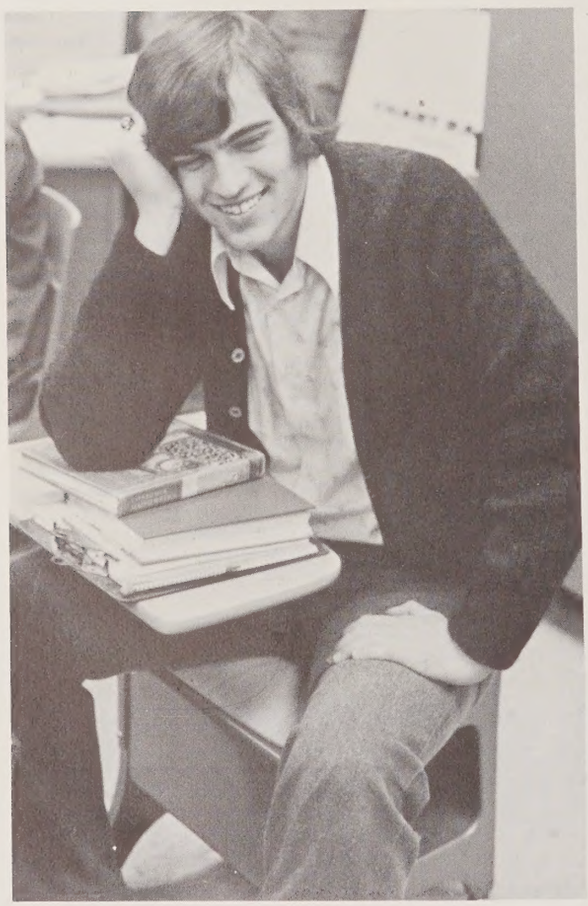
Mrs. Marjorie B. Yokeley — Pre-Algebra — Algebra I — Algebra II — Honor Roll & Attendance Co. sponsor — Sophomore Class sponsor.

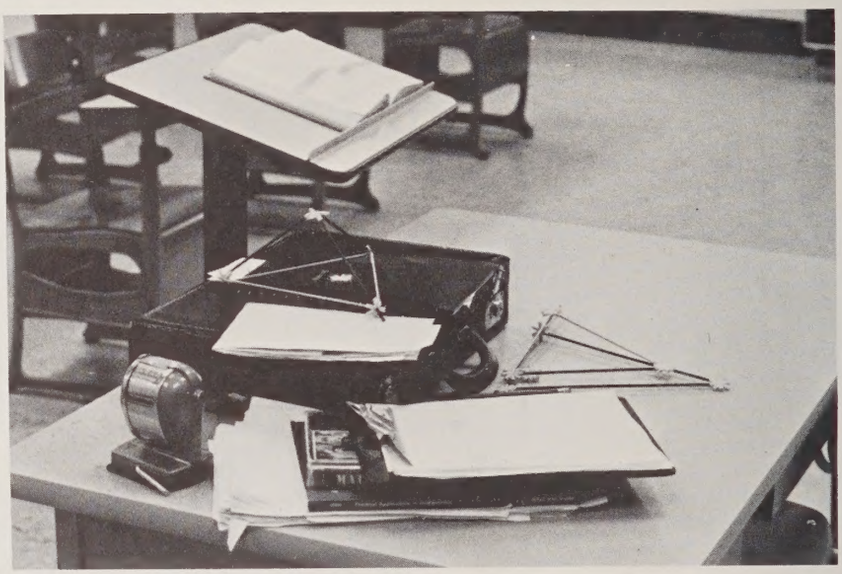


Mr. Steve Sink — General Math — Algebra I — Human Relations — U.S. History 1870-1945 — U.S. 1945-Today — advisor Black Culture Club — Freshman Class sponsor.







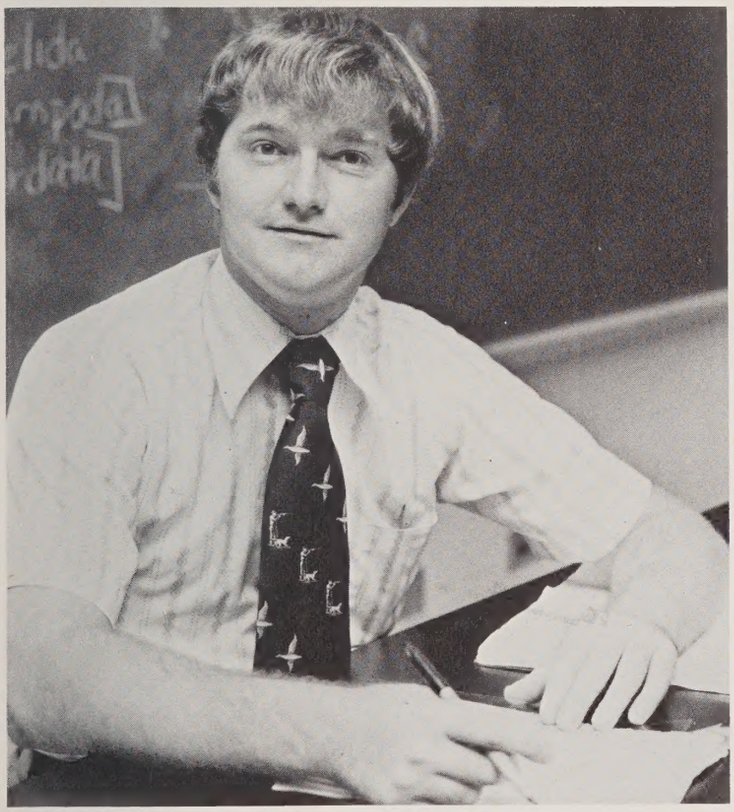


Math — a bugaboo to those who don't like it, a boon to those who do — a subject that students either dig or hate — but a necessity for all. Many of the math teachers took a new approach this year by trying such ideas as work at your own rate, show rather than tell, test only when the student is ready, and above all, create a practical interest in the subject. After all $2 + 2 = 4$ does make sense!

Central Offers Complete Science Program

Mrs. Jane Crotts — Chemistry — Physics — Advanced Science Advanced Math — Science Dept. Chairman — Student Council Asst. — Senior Class Sponsor.

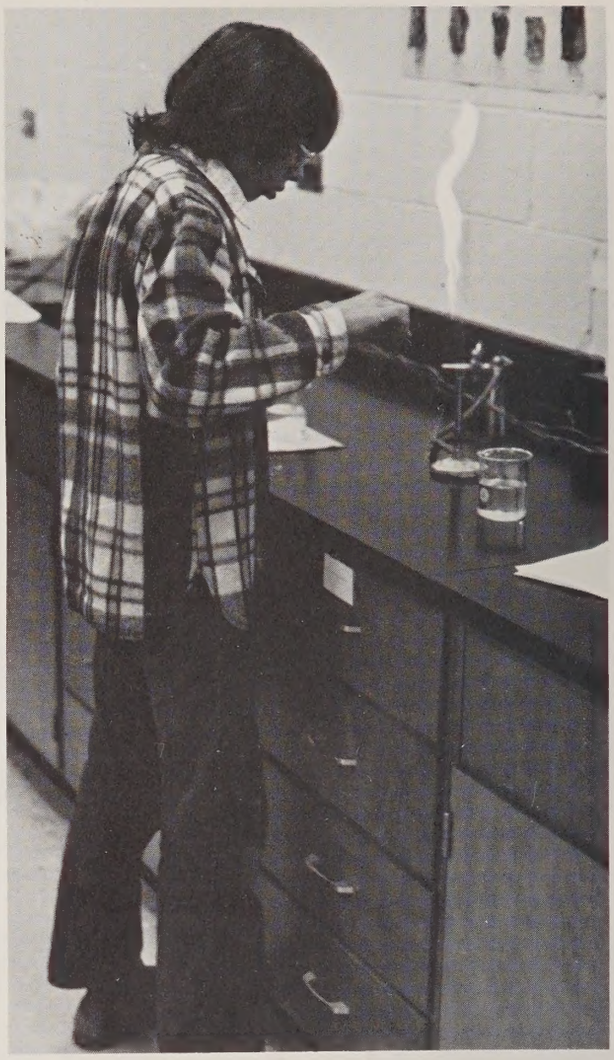
Mrs. Voncille Aubrey — Physical Science — Honor Roll and Attendance — Freshman Class Sponsor.



Mr. Bill Scott — Physical Science — Biology — Sponsor of Hunting and Fishing Club, and Junior Class.

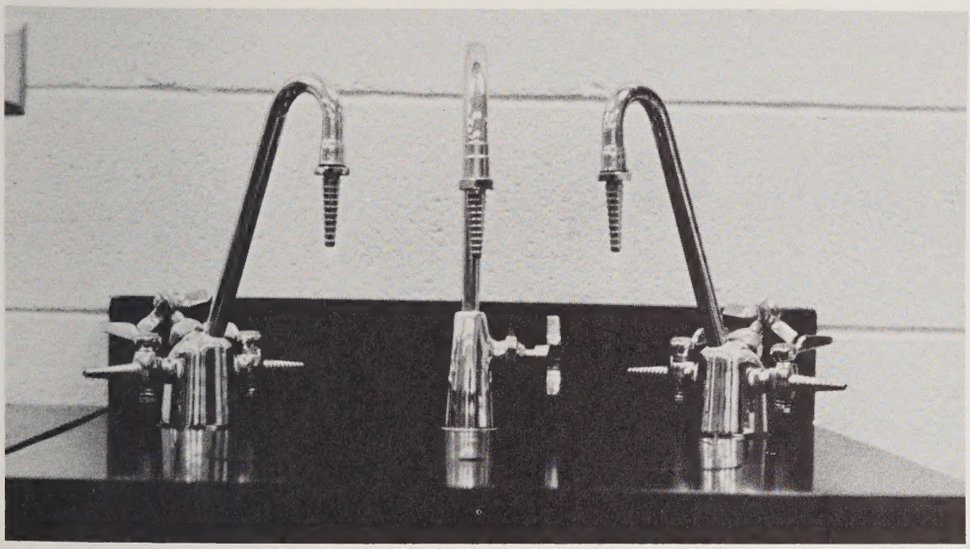
Mr. Jerry Hampton — Biology — Advanced Science — Head Wrestling and Asst. Football Coach — Sophomore Class Sponsor.

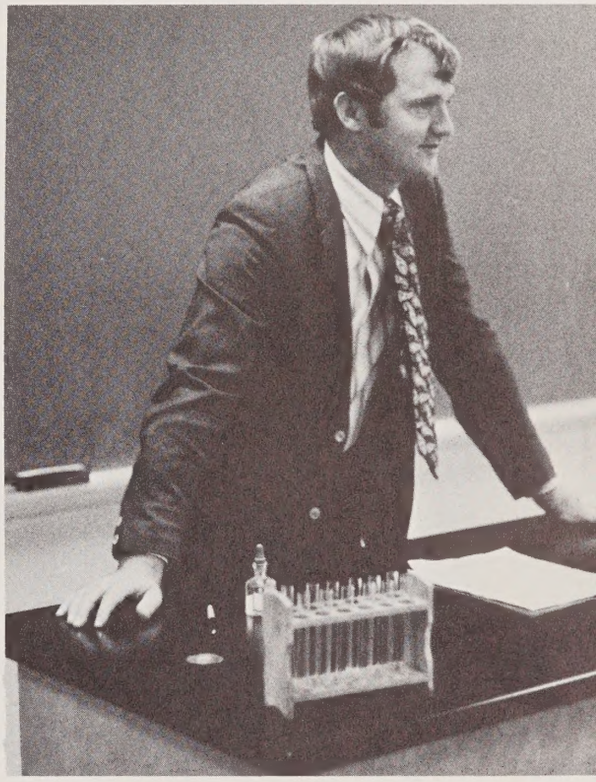
Science Department Acquires Modern Equipment

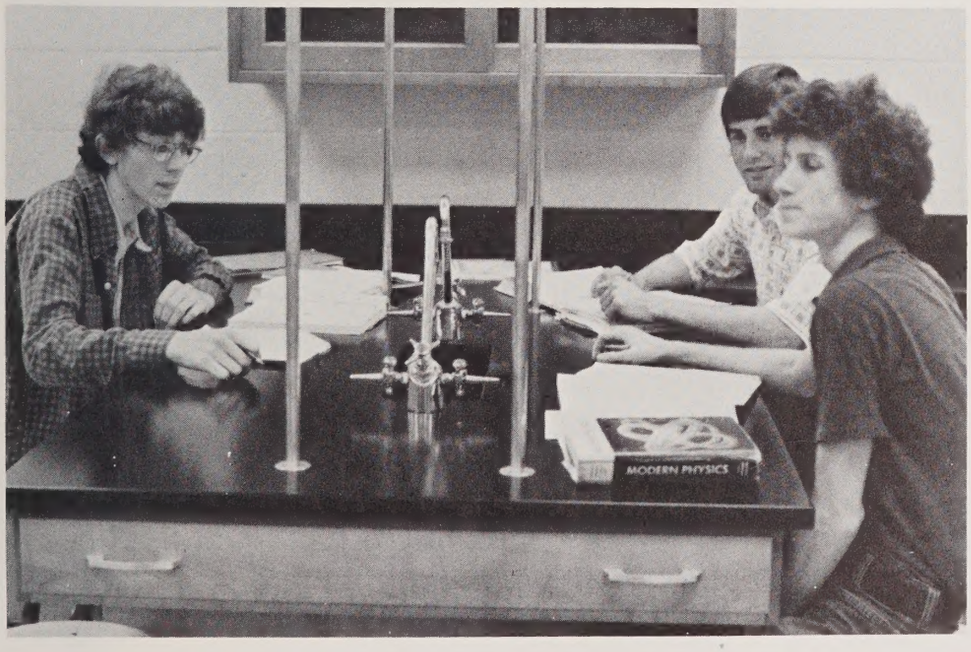


The science courses this year are basically the same courses as in the past but with superior teaching facilities available.

There are physical science, biology, chemistry, and physics, with the addition of a new class for seniors, Advanced Science. This course is divided into two semesters, — one for biology and the other for chemistry and physics. Students and teachers are still a little awed by the spacious labs, and the modern equipment such as an emergency shower and wash bowl in case of an accident.

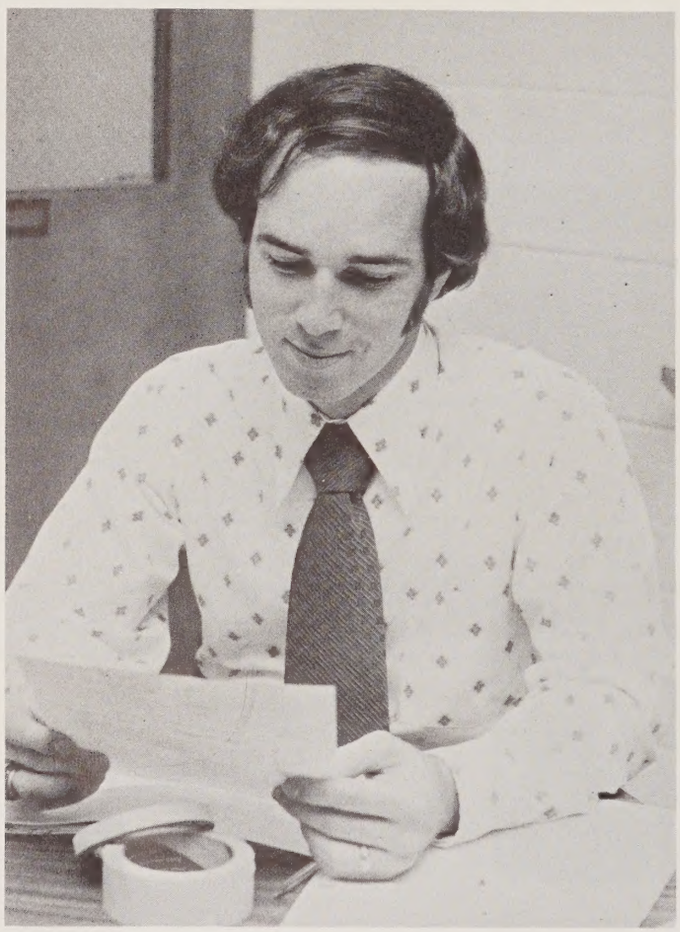




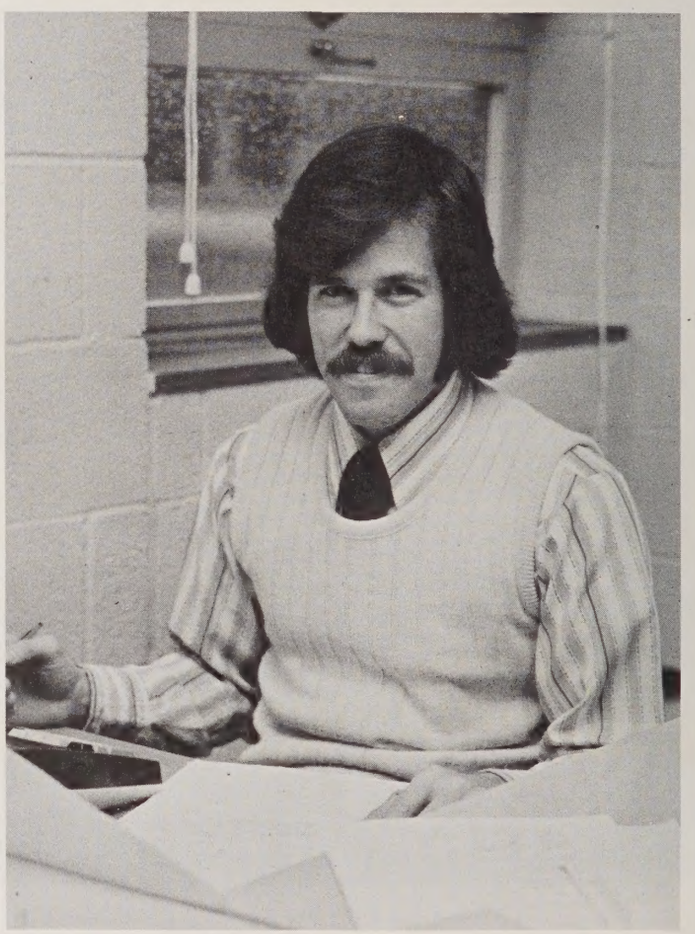


Determined Typists Work To

Mrs. Mary E. Talbert — Typing I — Advanced Typing — Stenography — advisor F.T.A. — Sophomore Class sponsor.



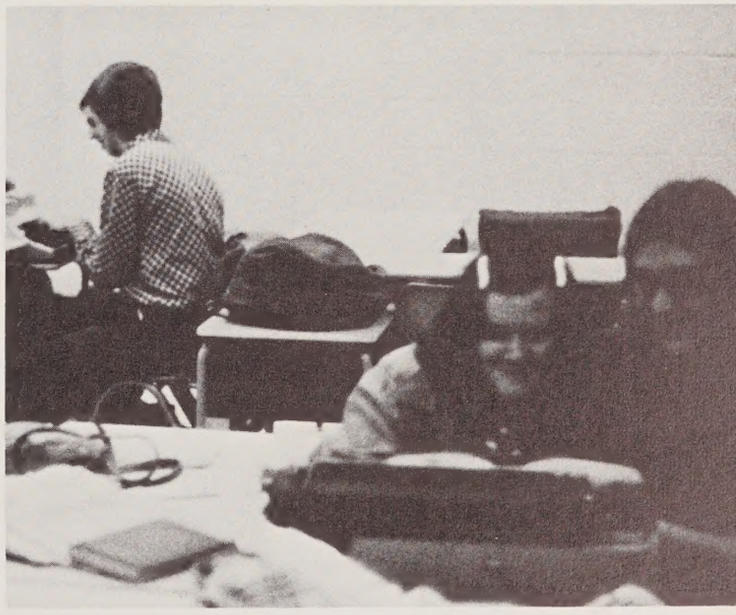
Mr. Tony Alexander — Introduction to Business — Business Math — Business Law — Accounting I — advisor F.B.L.A. — Head Baseball and Freshman Boys Basketball Coach — Sophomore Class sponsor.



Mr. Gary Craver — Personal Typing — Typing I — Accounting I — Advanced Accounting — Advanced Stenography — Filing and Index — Secretary Practice and Cooperation — Junior class sponsor — Business Dept. Chairman.

Develope Speed and Accuracy

The year brought many changes to the Business Dept. which advanced its already modern program. It was geared to give the business-minded student the training and skills necessary to compete in the business world. New equipment added to the present machinery offered students a chance to become more familiar with equipment in business offices.



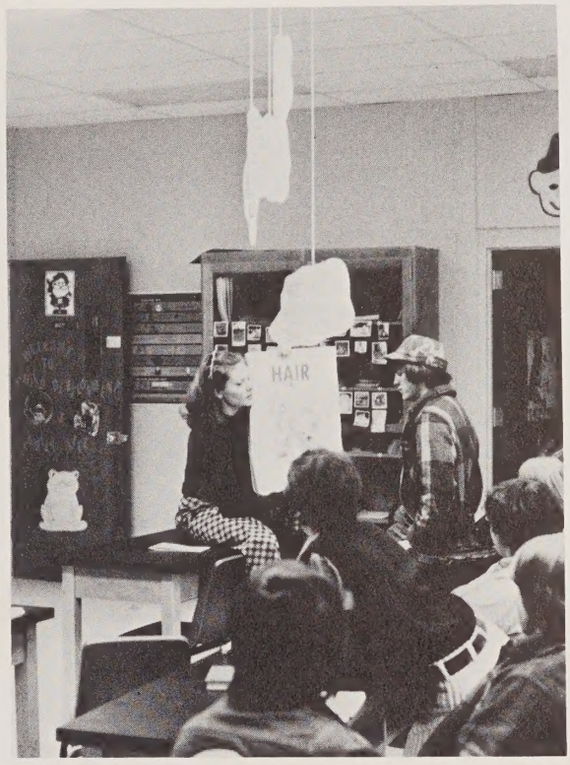
Home Economics Promotes Better Home Living

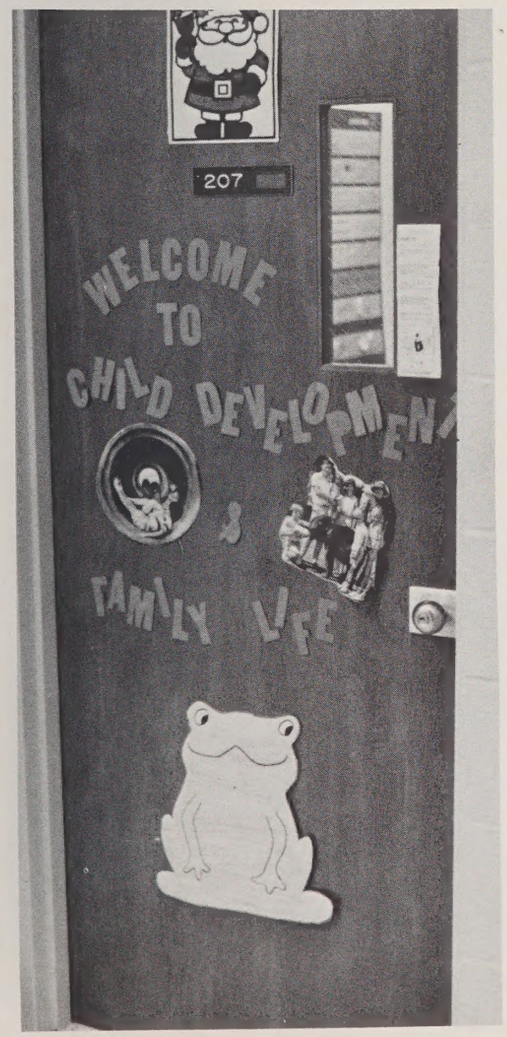
The hum of a sewing machine — the sight of home-made candles — the sweet smell of cakes and cookies — and occasionally burned bisquits. This is Home Ec. at Central. Home Economics, under the direction of Mrs. Auman, is enjoyed by everyone. The girls cook meals and with only a few gripes, eat their masterpieces. Cleaning up afterwards is really a treat this year since the girls get to use their newly purchased dishwasher. Even though the Home Ec. Department has not been able to move into its new facilities, its still a great place to be.

Mrs. Carolyn L. Auman — Home Ec. — Advanced Home Ec. — advisor F.H.A.

Child-Care, Family Life — New Courses in Home Ec.

Mrs. Susan Carrickhoff — Child Development — Family Life — F.H.A. advisor — Mat Maids sponsor.



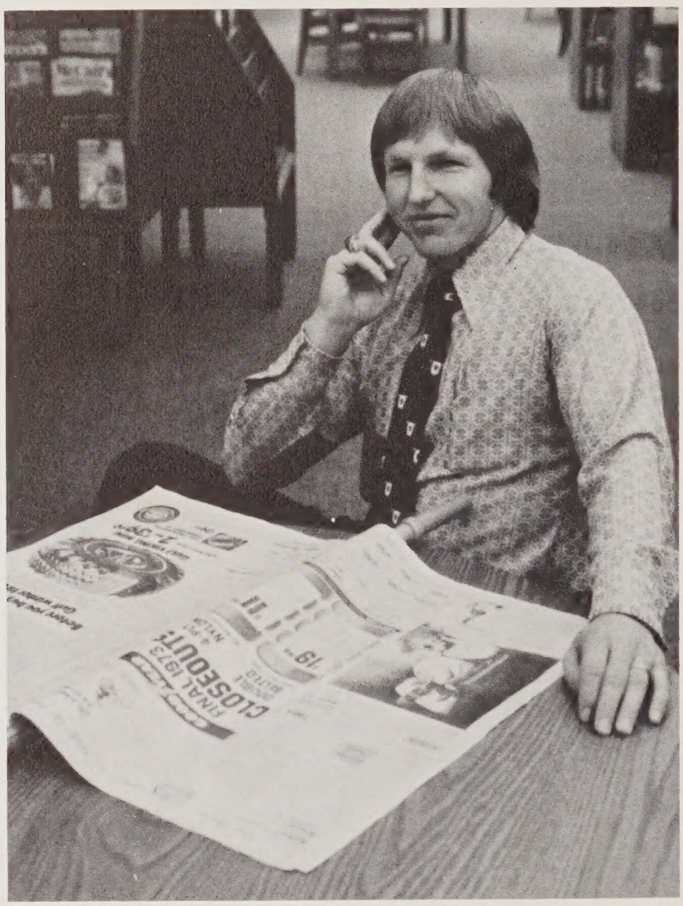


Child Development and Family Life are two new additions to the curriculum at C.H.S. These classes are electives and most of the students who take them are interested in the subject. Child Development classes study the development of children before birth and afterwards. Family Life deals with dating, engagements, planning a wedding, and life after marriage. The thing that appeals to many students is the fact that there is no homework, in Child Development a few tests, and in Family Life — no tests. Students are graded on reports they do and on work from their books. When you walk into this class you might find students holding paper up to their faces to see if the color looks good or you might see students dancing wildly and singing their own words to a popular song of today. All the bright posters and Mrs. Carrickhoff's cheerful smile make these classes exciting places to be.

Horticulture: The Science of Growing Plants

Agriculture is no longer a matter of learning to "plow the south forty" and milk cows. Students find new dimensions to this subject which teaches such practical things as public speaking, landscaping, and of course anything that deals with farm life.

Horticulture has proved to be a favorite course for both boys and girls. The green house produces many beautiful plants under the green thumbs of budding horticulturist. Poinsettias at Christmas and tomato plants in the spring mark the changing seasons and all year long pretty growing plants attests to the fact that an appreciation for growing things makes the world a better place to live.

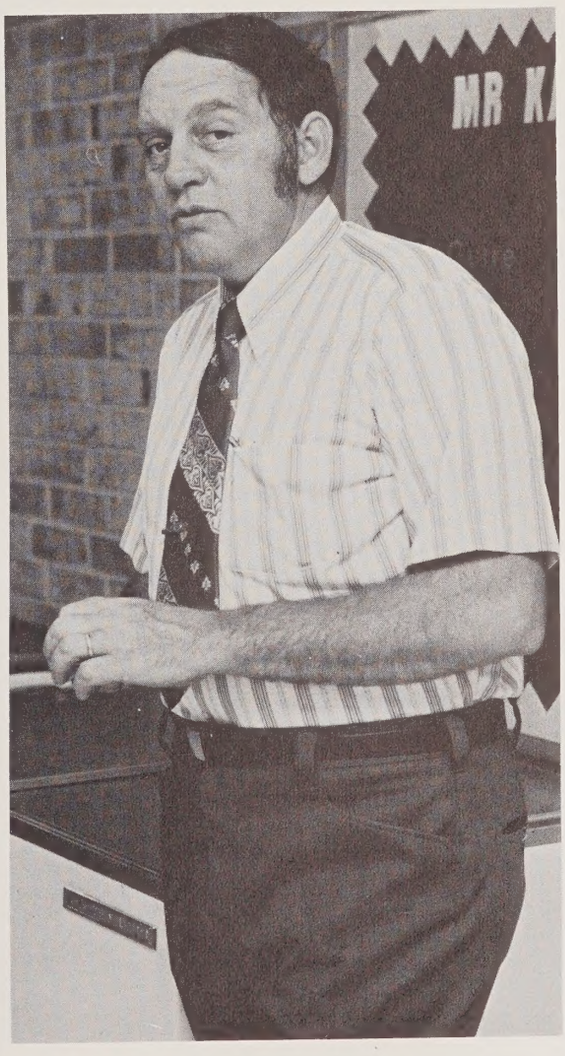


Mr. Andy Boyd — Aviation Science — Agriculture — Horticulture — Occupational Dept. Chairman — F.F.A.

Shop Improves Vocational Skills

Furniture manufacturing is a practical course in which students can watch what they learn become a real tangible thing. From drawing board, to the saw, a few nails and some paint, and there emerges some really fine pieces of woodwork. Some of the popular items are bookcases, gun cases, and tables. Living in furniture country makes this a most desirable course which gives helpful experience for later jobs.

Furniture Mfg. is an old established course but Aerospace is so new that most students can't even spell it. A lack of space, equipment, and materials has kept the program "on the ground" so to speak but big plans for the future are in the making. Who knows, Central may produce an astronaut one of these days!

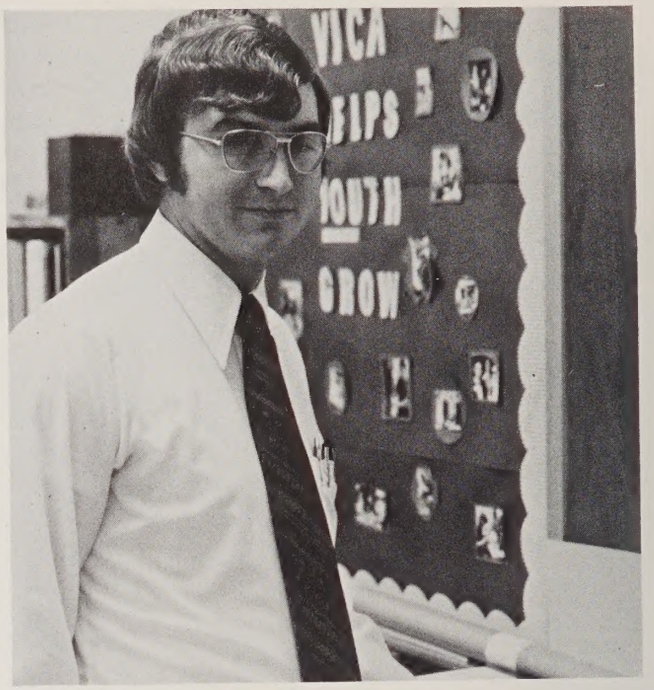


Mr. Norman Grambrell — Furniture Manufacturing — V.I.C.A. — Traffic and Safety

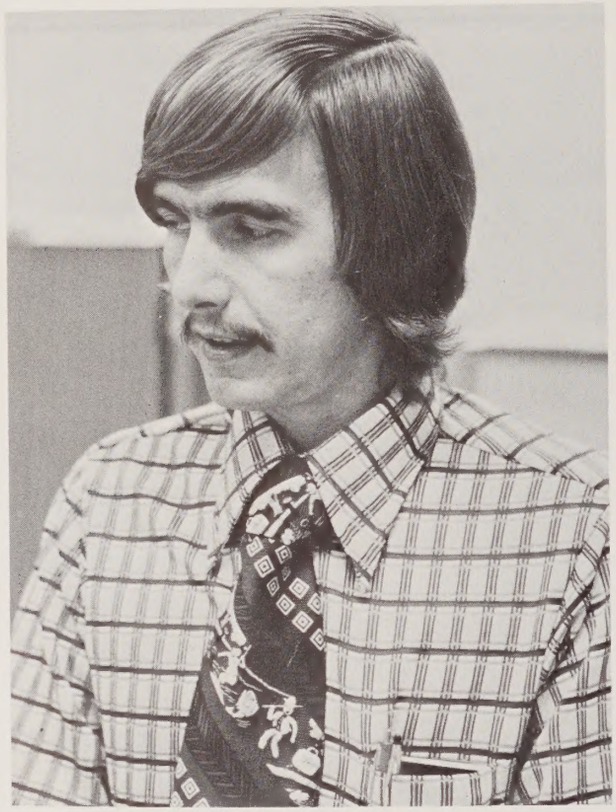
I.C.T., G.I.C. — Training for the Future

ICT and GIC are initials for two courses that lay the ground work for future careers. Industrial Cooperative Training lets students get out of the classroom and actually work on paying jobs. Central students know you can earn and learn at the same time.

GIC, better known as printing, is an indespensible course. In addition to the training offered, the students in this course perform a real service to the school newspaper. When the new shop opens and the presses start rolling next year, it will be "look out, Dispatch!"



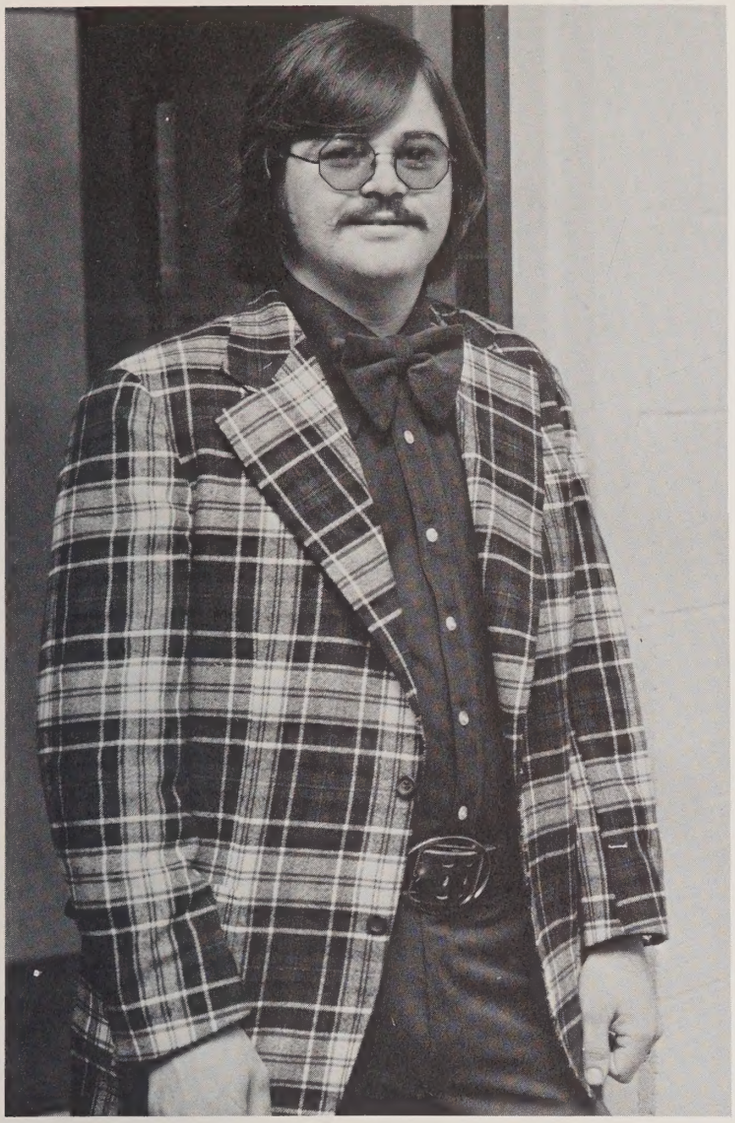
Mr. Randall Parks — I.C.T.



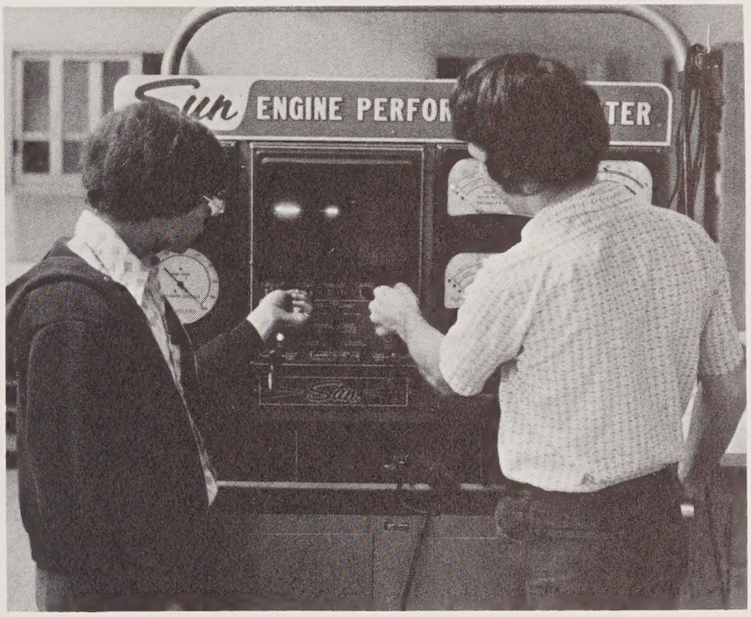
Mr. Kirby Kanoy — I.C.T. I & II — V.I.C.A. — Traffic & Safety — Junior Class Sponsor.

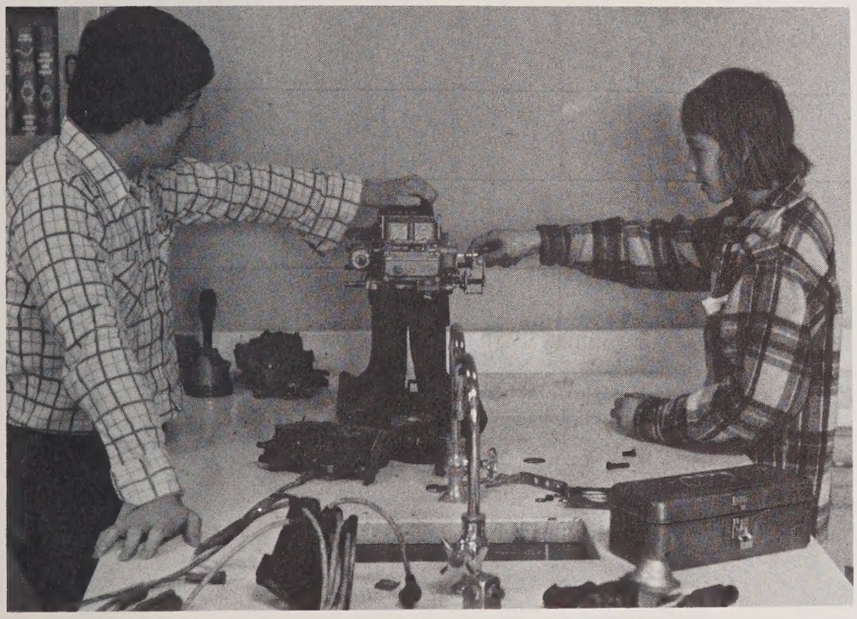
Mr. Dwight McGuire — G.I.C. — V.I.C.A. — Traffic & Safety, Sponsor.

Auto Mechanics: Another First!

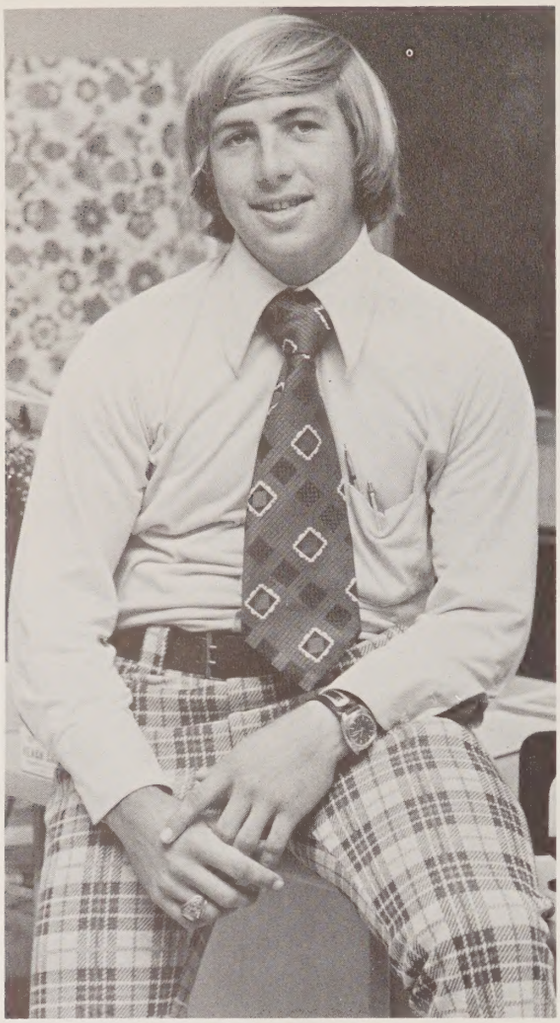


Mr. Clifton Allred
Auto Mechanics.



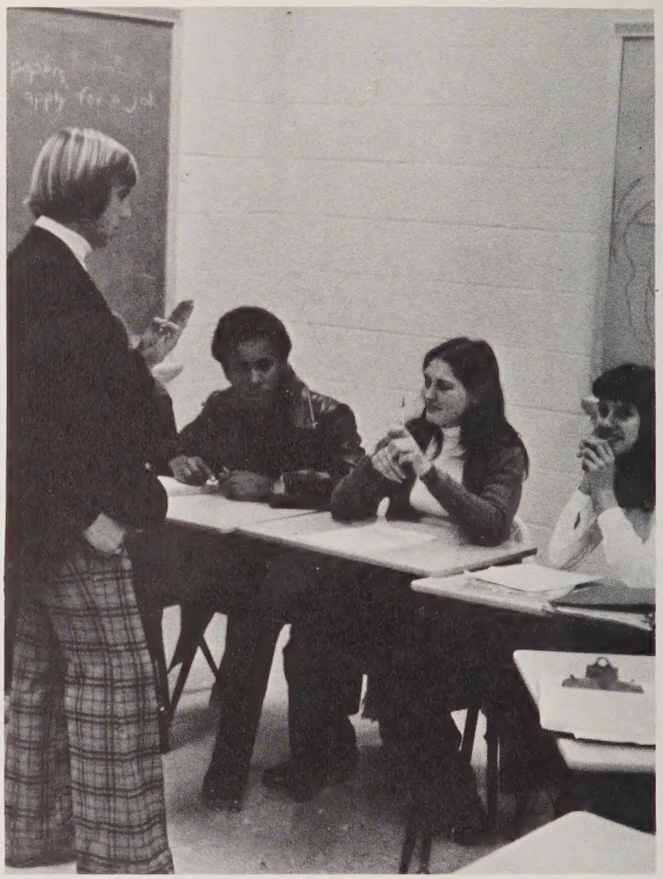


Last year, when there was a glimmer of hope that a course called Auto Mechanics might become available, interest in such a course ran high. But the school year began without the course materializing. Then in the second nine weeks — voila! — the course became a reality. A teacher was found, classes were formed, and Auto Mechanics was added to the curriculum. Like Aeorspace, very little space and equipment were available but all good things take time and in time Auto Mechanics should prove to be one of the most interesting and practical subjects offered at Central.



Mr. David Wright — Special Education

Mrs. Suzanne Nifong — Special Education — Freshman Cheerleaders and Junior Class sponsor.



Special Education was started at Central in 1969-70. It has been established to provide special, individualized instruction to improve certain skill areas such as reading and math. Students are enrolled after appropriate testing and interviews on a volunteer basis. This is not a permanent enrollment. They may remain in these classes until they and the teacher agree that they are ready to be re-enrolled in the regular academic program. The program as it is now established incorporates team teaching in a "resource situation." Mrs. Nifong is the full time instructor and Mr. Wright shares his time between the junior and senior high schools.

Music, Music, Music . . .

Mr. James Bouldin — Chorus — Band — Music. Dept. Chairman.

The band spent many hours in practice for field and parade performances. They also presented a concert at Christmas for the P.T.A. Music adds a good feeling to any occasion and the band music has set the mood for many pep rallies, ballgames, and other special events.

Study Carrells New Attraction in Media Center

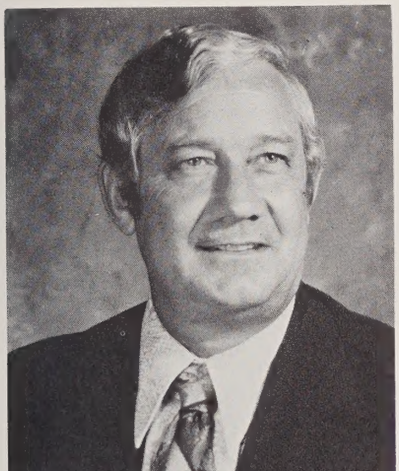
Library assts: K. Hunt, P. Harden, K. Barger, A. Trexler, B. Dunning, C. Fallenstein, R. Floyd, M. Musgrave, R. Gibson, S. Story, Ms. Story, S. Elmore, M. Swing, T. Burkhart, P. Styers.

Miss Colleen Story — Media Coordinator.

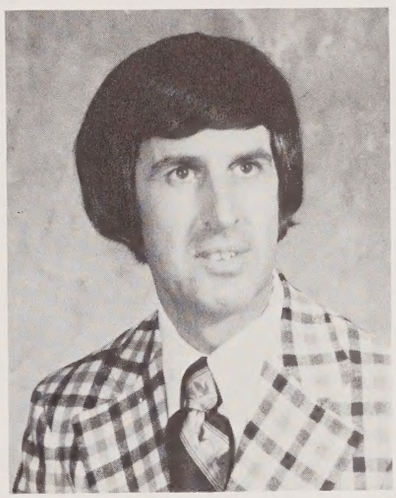
The Media Center is the hub around which the whole school revolves. The architect designed it in this manner to make it easily accessible to the entire school. Study carrells, comfortable reading couches, carpet, soft music, and growing material resoures has made this a popular and pleasant place for students to spend their time relaxing, reading, studying, and learning. It has also provided a place for small group meetings, a Career Carnival, and inservice work shops for teachers.

Local and County School Boards Make Policies

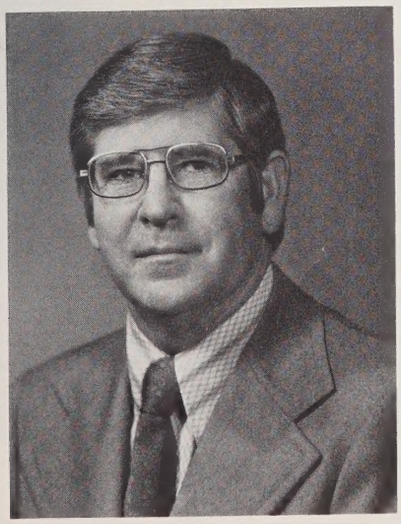
Local board members are: Dolan Hedrick, Terry Ward, Bruce Crotts, Chairman; Bryce Leonard, Allen Godwin.



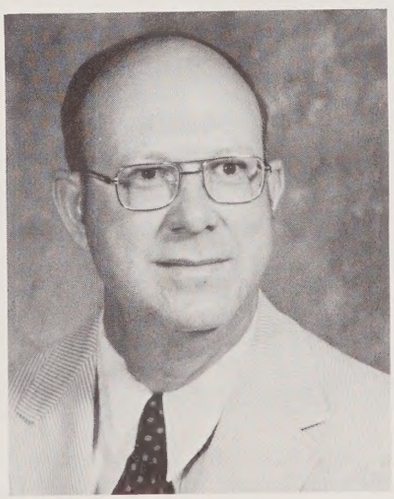
Mr. E. Lawson Brown — Supt., Davidson Co. Schools.



Mr. Clate Huffman — Asso-Supt.



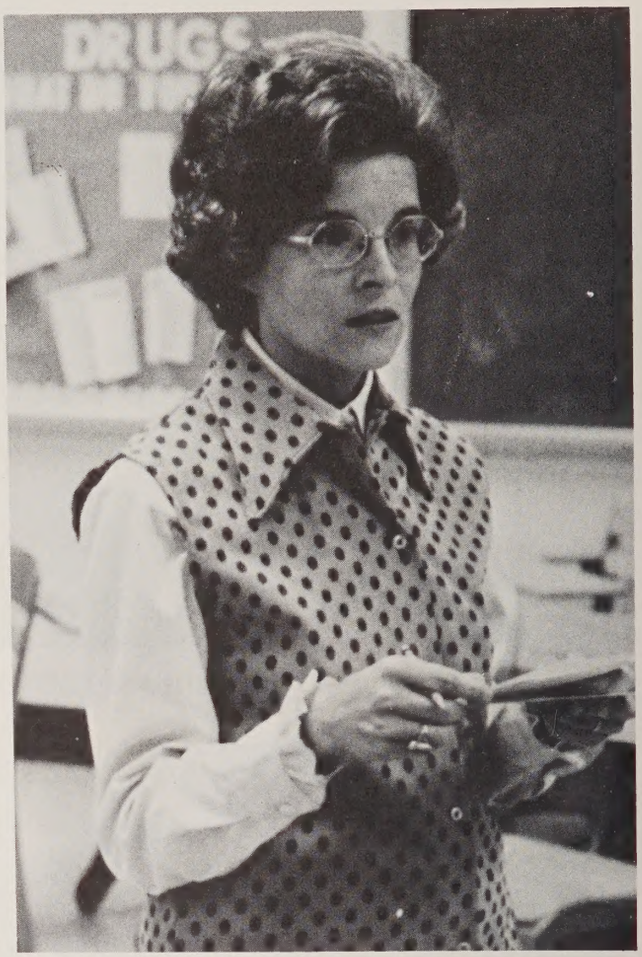
Mr. J.W. Allen — Asso.-Supt.



Mr. Elvin Arrants — High School Supervisor.

Information Center: Guidance

A beautiful new office, carpet on the floor, and comfortable upholstered chairs made the guidance offices a popular place to visit but it was more than physical facilities that drew students. It was a place to go to talk or get information from personal problems to future plans. Freshmen got to know the school better through an orientation program guided by Mrs. Forrest. Seniors were kept in the know about current happenings and opportunities through the guidance department.

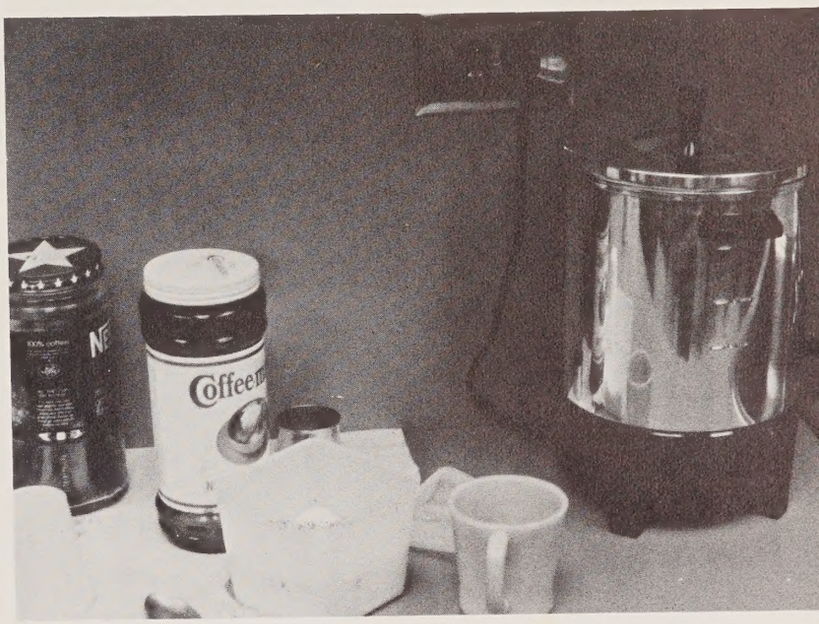


Students assisting Mrs. Forrest were: Don Queen, Robin Floyd, Shelron Wilson, Cynthia Cook, Ginger Williams, Lynda Tysinger, and Deborah Beck.

A Cup of Coffee, Anyone?

Office Assistants are: Karen Arnold, Betty Davis, Marie Campbell, Davonna Koontz, Donna Koonts, Ginger Williams, and Jamie Black.

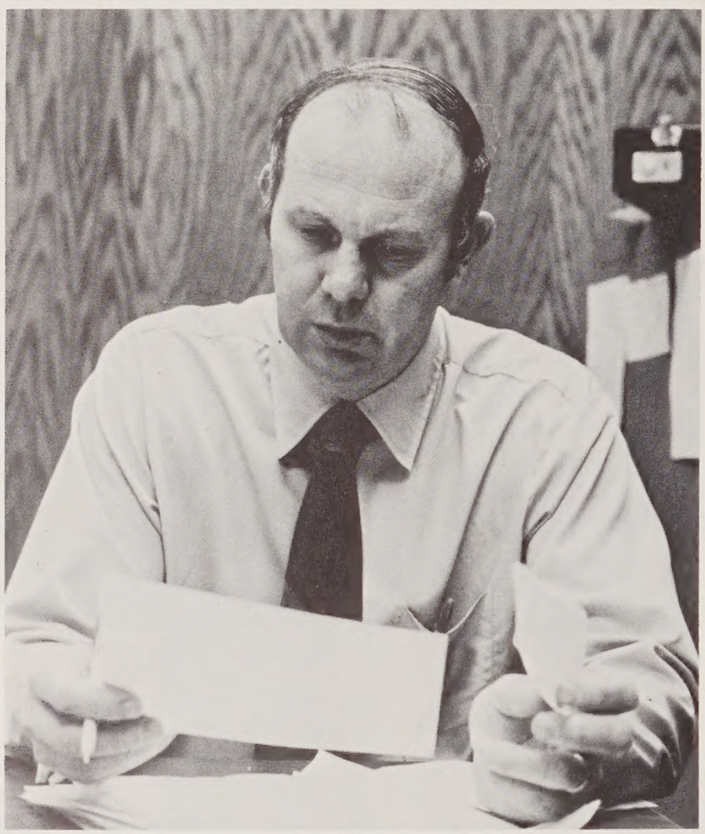
Mrs. Michael is an old friend in a new setting this year. Her quiet manner helps the hustle and bustle of the office keep a semblance of order. The money and school records are in capable hands with her on the scene.



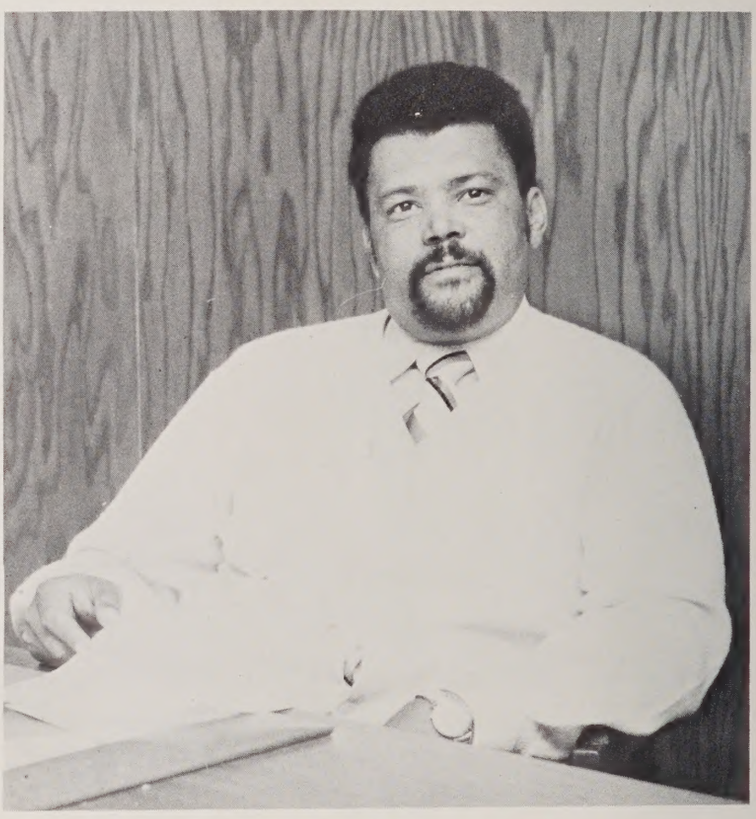
"1 tsp. coffee, 2 tsps. sugar, ½ tsp. Cremora" is the recipe for Mr. Buck's favorite cup of coffee and the office assistants can recite it exactly. This is just one of the few duties they perform. Others include answering the phone, running errands, showing visitors through the building, and assisting Mrs. Michael in clerical duties. This is a job performed by these girls as a service to the school without pay. From keeping the coffee area clean to counting money, their services are invaluable to the entire school.

Modern Facilities Aid Principal, Office Staff

Mr. Gil Buck, the "Chief Spartan," is a man on the move. As a second year principal at Central, he had the ominous job of moving an entire school from one building to another. In addition to this he confronted such tasks as initiating the new courses of study, guiding the work of revamping the present curriculum, coping with parking problems brought on by lack of space, and excessive mud and rain, facing an energy crisis which altered the day's schedule, and coordinating a program with students in two different schools. In addition he has spent innumerable hours budgeting Central's money to keep it on a sound financial basis. It takes the Spartan spirit of physical and mental stamina to endure and not be crushed. So to Mr. Buck, we say a sincere thanks and welcome him as a full blooded Spartan.



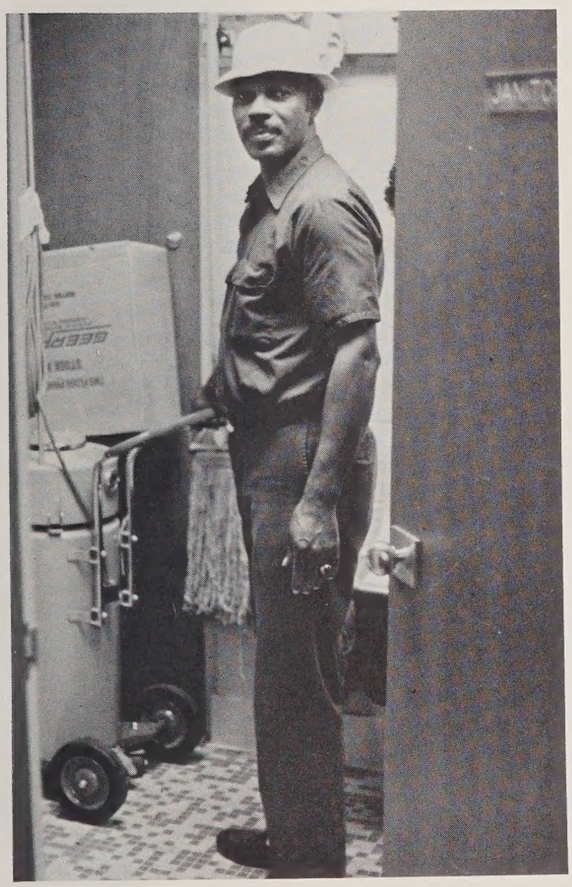
Mr. Swicegood serves in a dual role of teacher and asst. principal. His main job as assistant to Mr. Buck is scheduling classes, teachers, and students, working with textbooks, and filing monthly reports. His able assistance in the office and his work in the classroom make him doubly important to the life of Central.



Mr. Holmes is working for the first time this year as an assistant principal and teacher. He is in charge of all matters dealing with school busing. He also handles absentees such as excusing absentees and checking on students who are out of school or out of classes without permission. Behind a warm friendly smile lurks a firm hand that has added needed control to school discipline.

New Space Contributes to Staff Improvement

Mrs. Marie Seaford and Mrs. Edna Rhodes are known as great cooks but at Central they've been reduced to short order cooks whose biggest job is to hustle sandwiches in and out of the microwave ovens for hungry Spartans. Save up your recipes ladies, a new cafeteria is on its way!



A quiet voice, a gentle smile, and untiring hands best describe an indispensible gentlemen at Central by the name of Mr. N.D. Dalton. His pride in the beautiful new building is evidenced by its clean and neat appearance.

Safer and better drivers is what Mr. Dean Slabach hopes to make of all Central students. Now a full time teacher at Central his nerves of steel and calm manner produces drivers who can pass their test the first time.

New seasons, new coaches

Seniors learn to play all over again.

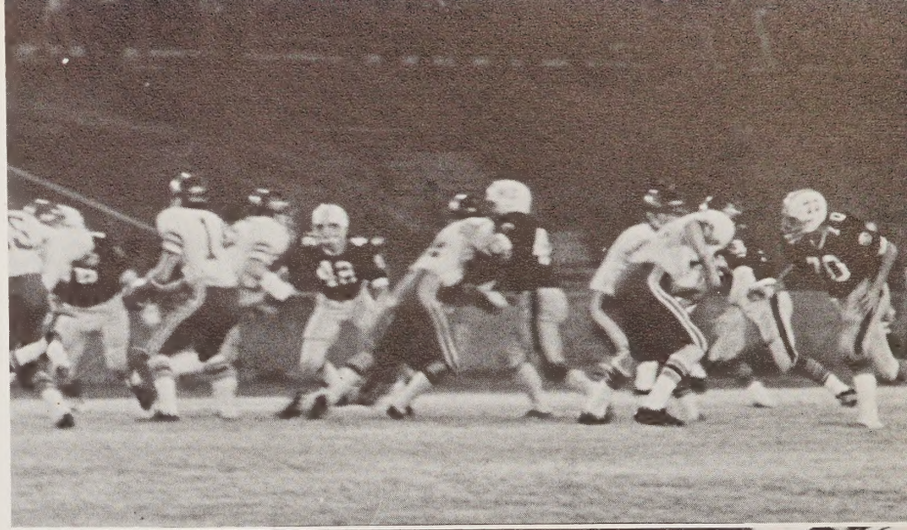
Beginning enthusiasm bubbles slowly.

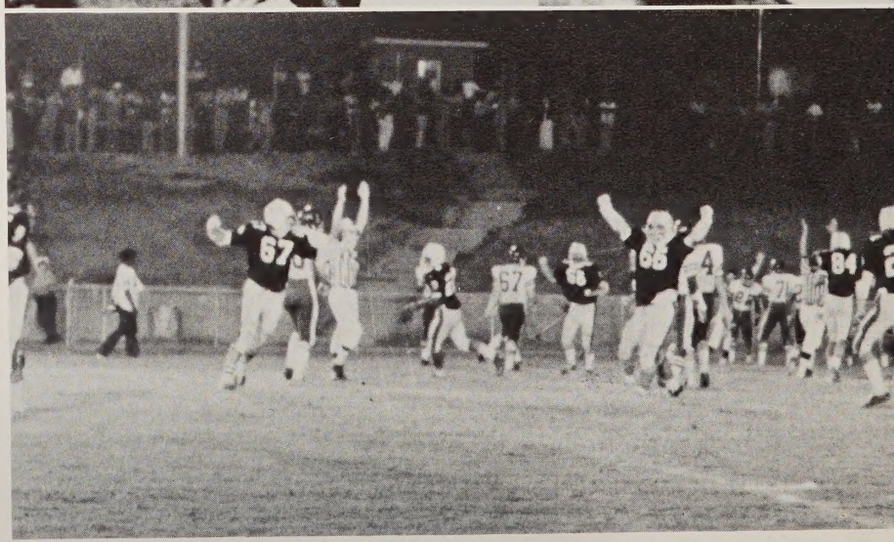
Then . . .

defeat upon defeat

Decomposition of morale.

One last final struggle . . . squelched.





The '73 season provided many thrills but an equal amount of heartbreaks. Excitement we had, victories we lacked. Highly regarded Lexington was given a great battle, but the Spartans started the trend of falling short at the end. A strong Southern Guilford team came in and crippled the Spartans. Bad breaks destroyed any hopes of victory at Central Cabarrus. SW Randolph fed the hungry Spartans, as everyone needed the victory. The best game of the season was played against Allen Jay. Our opponents were making the same mistakes that had befallen the Spartans earlier. East Davidson — the only thing lacking in this ball game was the two points at the end which would have changed a lot of things, including the score 22-21. Forrest Hills was doomed, as the Spartans simply enjoyed the end of an exciting homecoming week. A let-down was experienced against West Davidson and Randleman. With a lot of pride, the senior members, playing in their last game, led the Spartans to a near upset of Ledford. But in the end, the Spartans just never were able to turn the corner to a successful season.

As evidence, this section of the annual displays everyone's hopes that next year's squad will find a new direction.

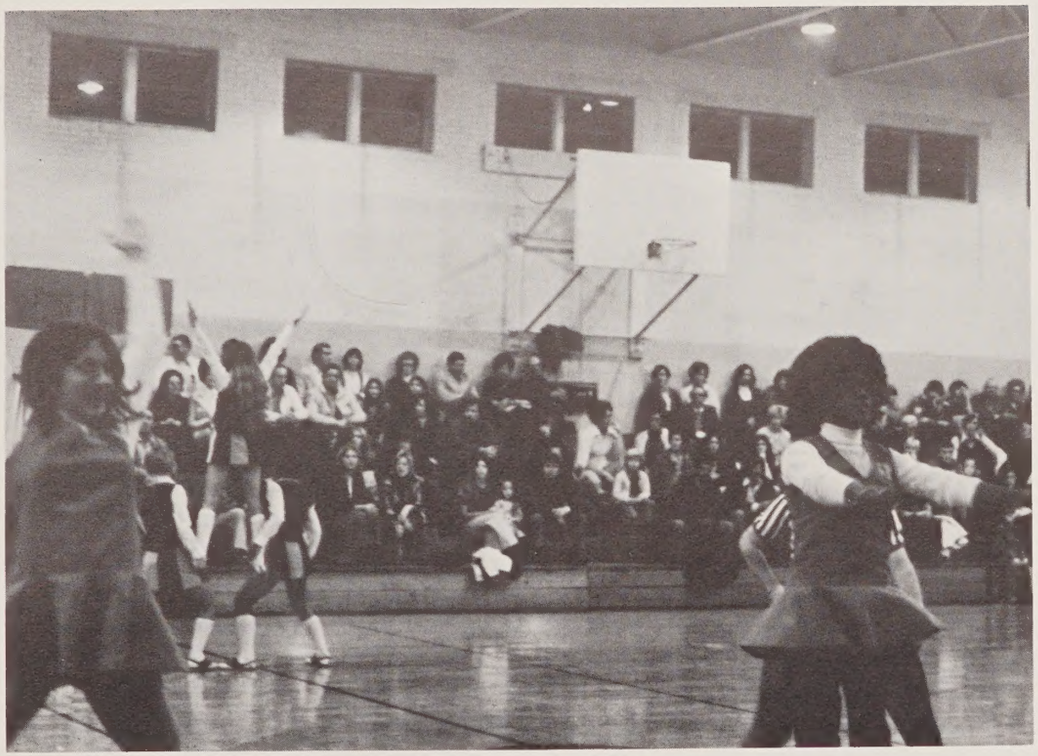
After several years of controversy over school spirit, the '73-'74 Varsity Cheerleaders left no doubt that they intended to do the best ever. To prepare themselves, the girls attended Cheerleading Camp at Newberry College and won first place for their song. Also during the summer, these girls were raising money to cover the cost of new suits. Many long, hard hours of work were spent learning new cheers, chants, and songs for our great school spirit. Our Cheerleaders added to Homecoming by sponsoring Noise Day, Bib-overall Day, and Tacky Day for "the burial of Forrest Hills." With the help of our Cheerleaders, the Pep Club participated at the pep rallies with a lot of enthusiam. We thank the Varsity girls for a job well done, but we challenge those remaining to continue to build the spirit.



Junior Varsity Cheerleaders: I. Cook, T. Henthorne, L. Jarrell, A. Hall, A. Bailey, J. Weaver.

Freshman Cheerleaders: D. Thor, S. Leonard, P. Russell, M. Westbrook, J. Parker, S. Burch.

CHS Majorettes 1973-74 —
one of the finest groups of majorettes ever at Central. These girls attended the National Majorettes Clinic at Ferrum, Virginia, for one week during the summer. They were honored with four excellent ratings — in Group Twirl, Halftime, Dance, and Marching Routines. They performed in the National Band Day at Cary College at Cary, N.C. with the band. Hard work is also a characteristic of this group. They entertained with the band during half-time of all home football games. All used batons, fire batons, and introduced the frisbee to the show. Everyone appreciates the majorettes enthusiasm at the pep rallies with their dances and pom-pom routines.

This year has brought many new directions to the band. The band attended a contest for the first time in ten years. They received a plaque after being judged a superior band. They also attended the Blueberry Festival at White Lake, and traveled to Cary for Band Day. With the addition of a Drum Major, flag bearers, and several new instruments, such as the French Horn, Bass Clarinet, and Tympanies, the band is now playing very difficult music. The band has also been able to acquire new uniforms that will make them want to play even better. We appreciate all the hard work and long hours spent by the band members to make this a better year.

Band and Majorettes. C. Stanford, L. Keply, M. Evans, B. Beck, S. Trexler, S. Leonard, M. Markham, J. Regan, B. Parker, J. Young. Second row — M. Hedrick, D. Smith, F. Coble, M. Beck, S. Feezor, E. Homecoming "73"

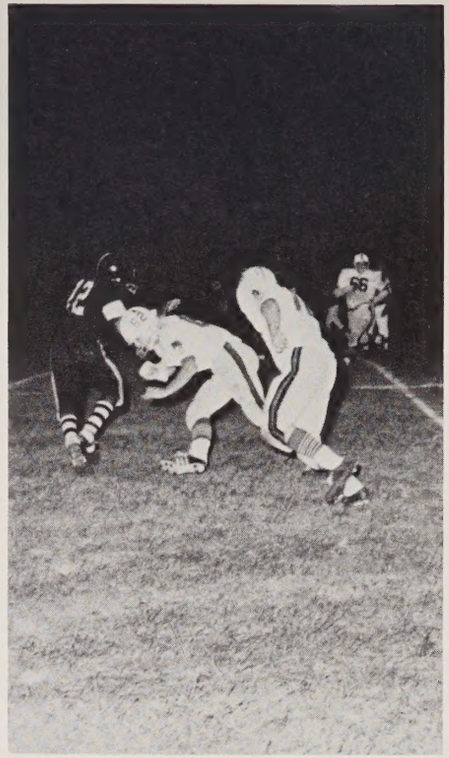
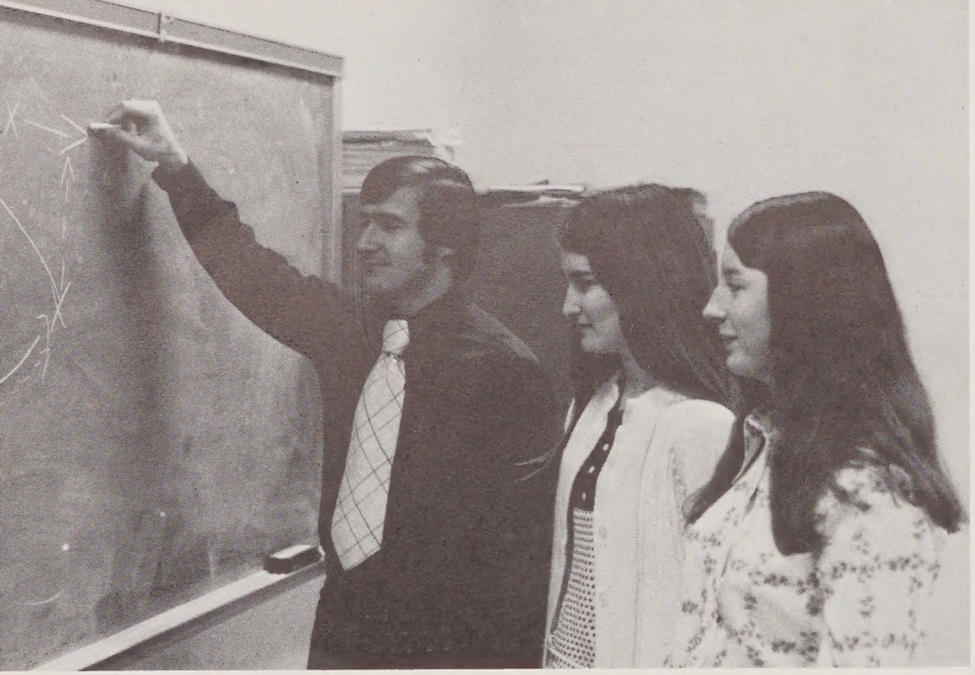
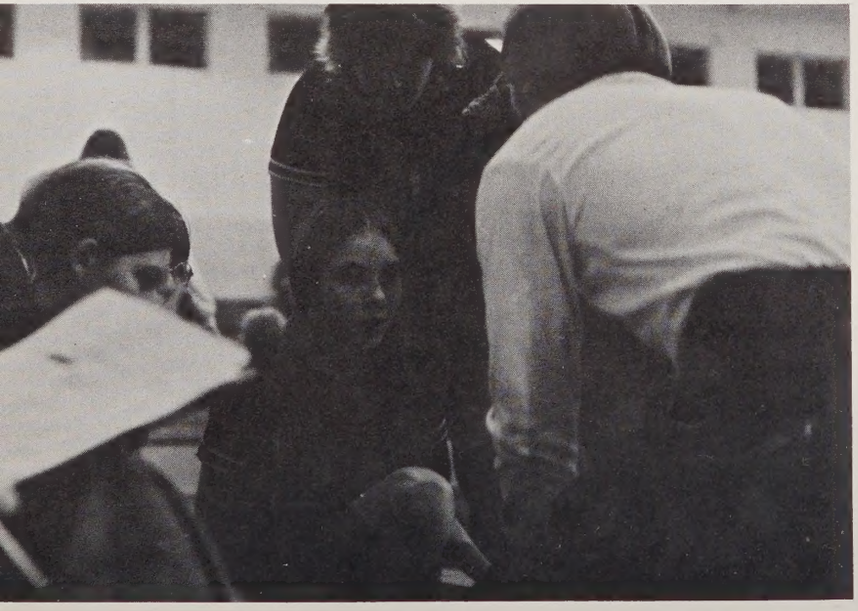
This season our football team took a new direction during Homecoming. The week was filled with various activities including a Powder Puff game and a very lively pep ralley on the Friday of the game. This helped to inspire our team as they lived up to the theme of the "73" Homecoming Burial at Forrest Hills, 21-6. Half-time was also a very important part of the week, as Freddie Lohr was crowned Homecoming Queen of '73. Yes, it all adds up to the best Homecoming that Central has enjoyed in a long time!



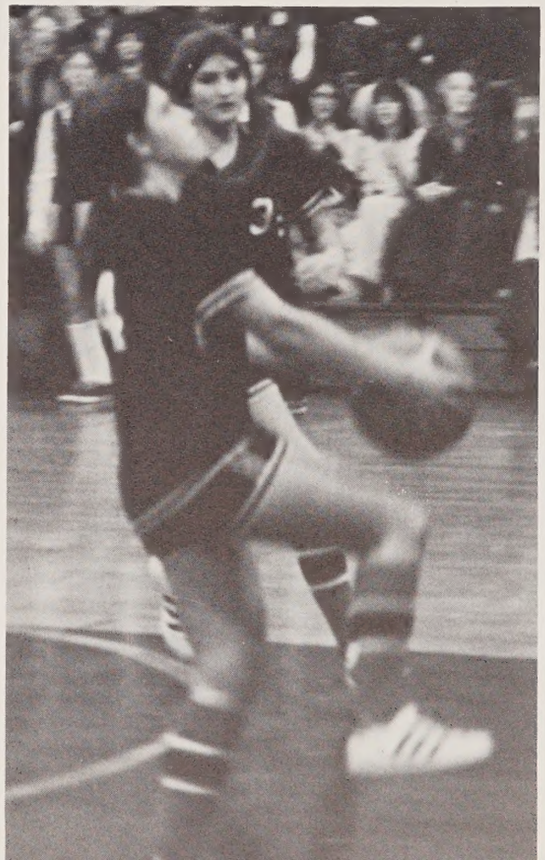


Coach Ball with Captains S. Small and S. Garner.

1st row — J. Koonts, S. Garner, L. Kepley, S. Small, P. Crotts, 2nd row — M. Younts, B Hedrick, S. Burkhart, T. Morris, R. Whitley, Coach T. Ball.

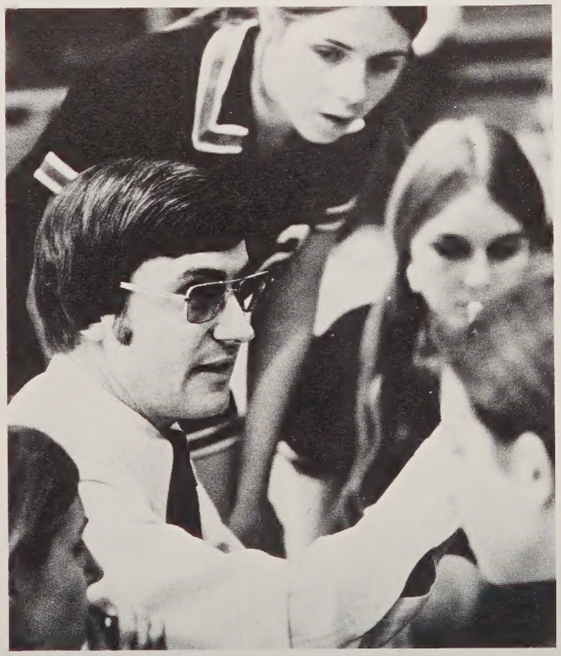


With the entire team returning from last year, the Spartan girls are looking forward to a banner year. With a lot of talent to work with, Mr. Ball should be able to bring home a CCC Championship.



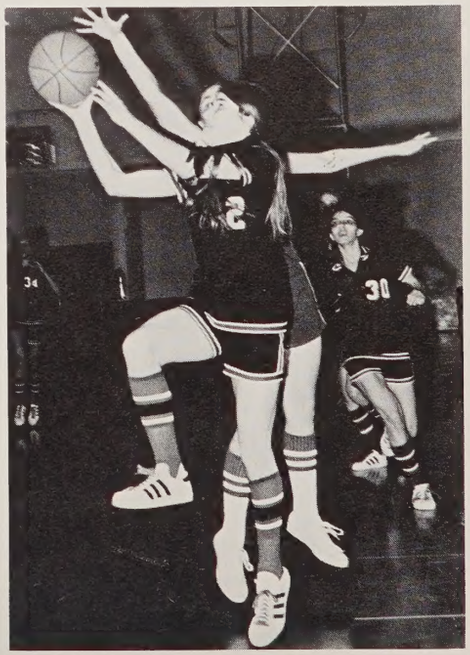
The buzzer sounds and the girls rejoice over a 48-33 victory.

Tournament winners are all smiles as they receive their trophy from tournament queen, Susie Coe, of Ledford.



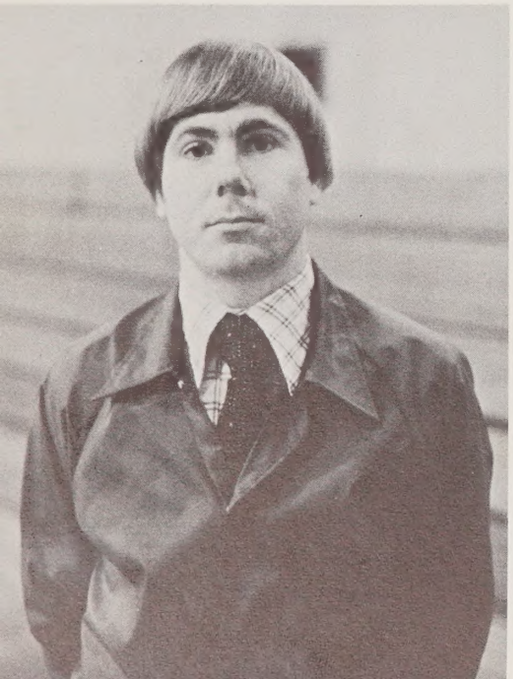
Mr. Terry Ball was named Coach of the Year by the other coaches of the Central Carolina Conference.

Saturday night, February 16th, is permanently circled in red on the claendars of ten lady Spartans, one delighted coach, and untold numbers of proud Central fans. Finishing fourth in Conference play, a spunky team of girls made up their minds that they would make that number become No. 1 so for three nights as if through magic they outplayed and outscored West Davidson, top seeded Ledford and for that final moment of glory, Southern Guilford. With a tournament trophy in hand, two names on the all Conference roster (Sherry Garner and Sylvia Small), two elected to the all tournament team (Martha Younts and Sylvia Small) it was a season that Central Davidson will not forget for a long time.



Sylvia Small, chosen as the tournament's Most Valuable player goes up for a basket.

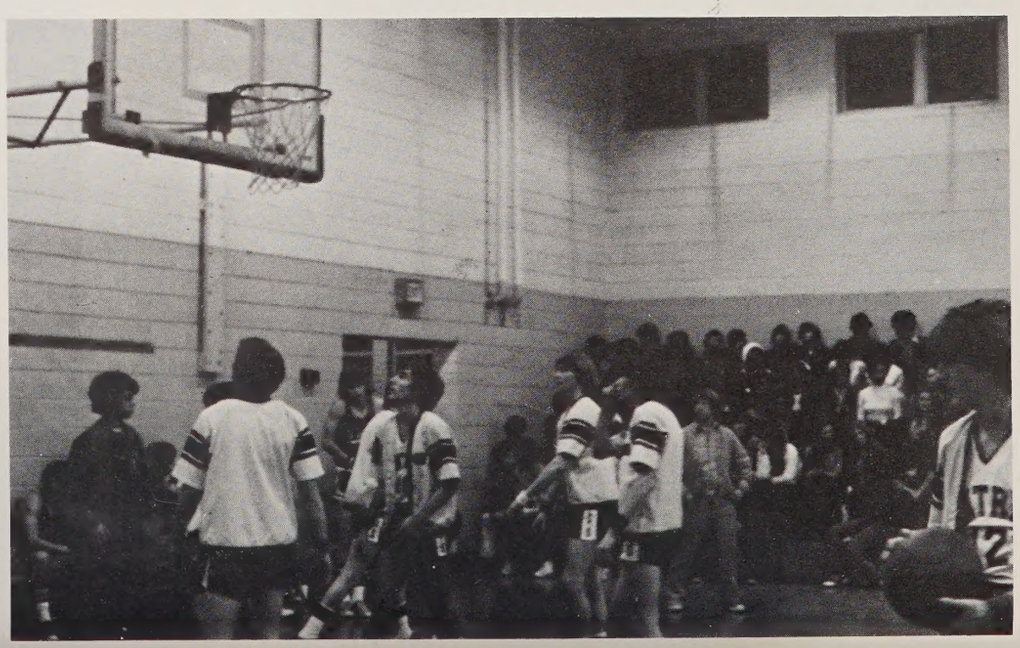
1st row — A. Hedrick, A. Milsap, P. Harrison, P. Smith, 2nd row — Coach Gary Ball, D. Corner, D. Burkhart, R. Miller, B. Thacker, T. Briggs, J. Mills, T. Grubb, S. Hedrick, T. Hedrick, C. Coble, D. Rush, mgr. C. Burkhart.



The 1973-'74 J.V. Girl's Basketball Team are enjoying a fine season. With most of the girls returning with a year of experience, they are simply destroying opponent after opponent. Along with the returners, there are also plenty of talented freshmen girls waiting to get their chance at playing under Coach Gary Ball. These girls are currently undefeated and hoping to complete a perfect season.

1st row — K. Johnson, K. Curry, J. Pope, K. Hall, 2nd row — mgr. M. Davis, D. Tesh, E. Vaughters, J. Spears, J. Hunt, S. Curry, mgr. T. Hedrick, Coach Ron Chapman.

Co-Captains K. Curry and J. Pope.



The 1973-74 Varsity boys are enjoying a fine season. The team was hit hard by graduation and started slowly, but has gained experience as the season progresses. With balanced scoring, excellent board strength, a hustling team effort, and a fast break that runs the opposition ragged, the Spartans are carrying out the winning tradition. The Spartans are in a tough race for first place in the newly founded Central Carolina Conference.

The Central High Junior Varsity basketball team has had a fine season. Under Coach Ron Johnson, a first year coach out of High Point College, the boys have developed into good solid players. With the basketball fundamentals achieved this year, they should be ready to step up to the varsity team next year.

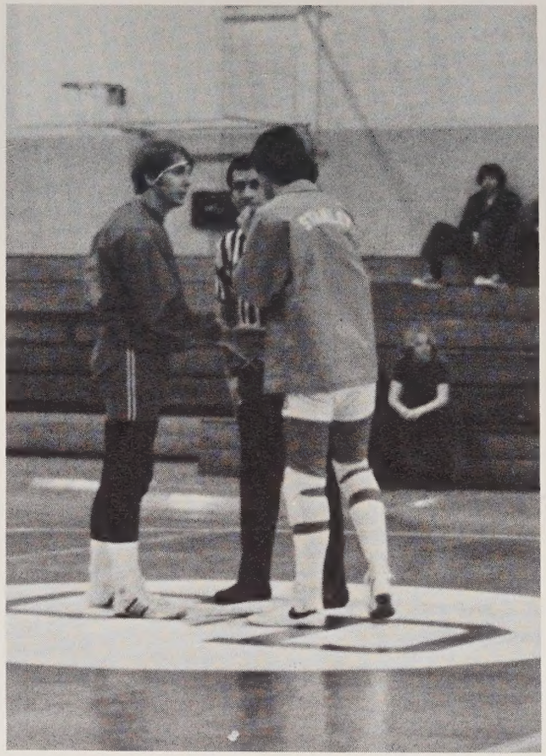
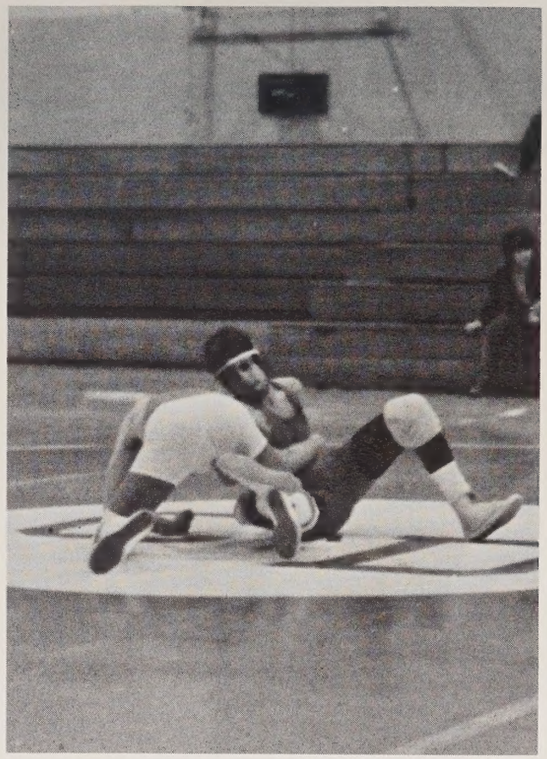
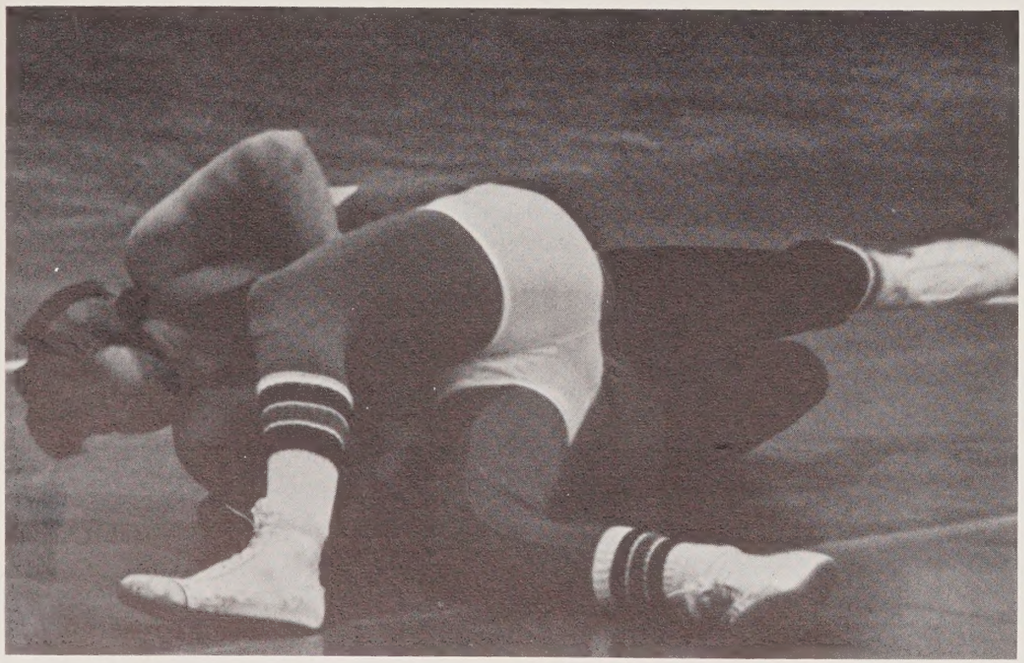
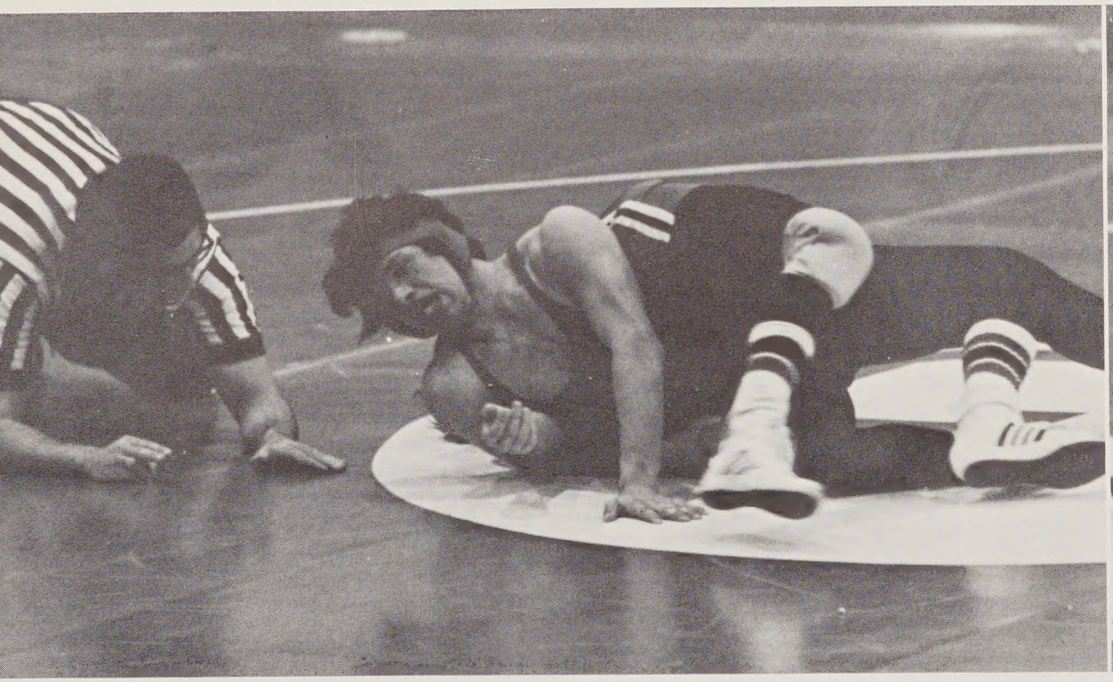
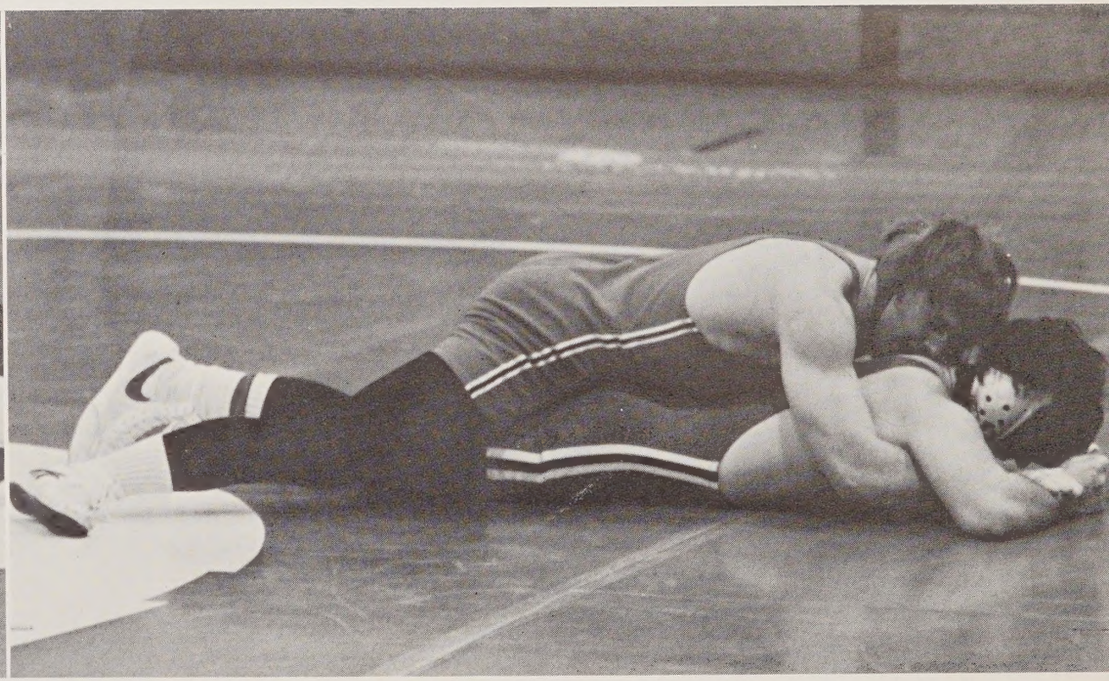
CHS Wrestling is proof of the quanity of quality student athletes at Central. Coach Hampton continues to develop strong men into winning men. A sport where it is one on one, there is still the pride of a team effort.

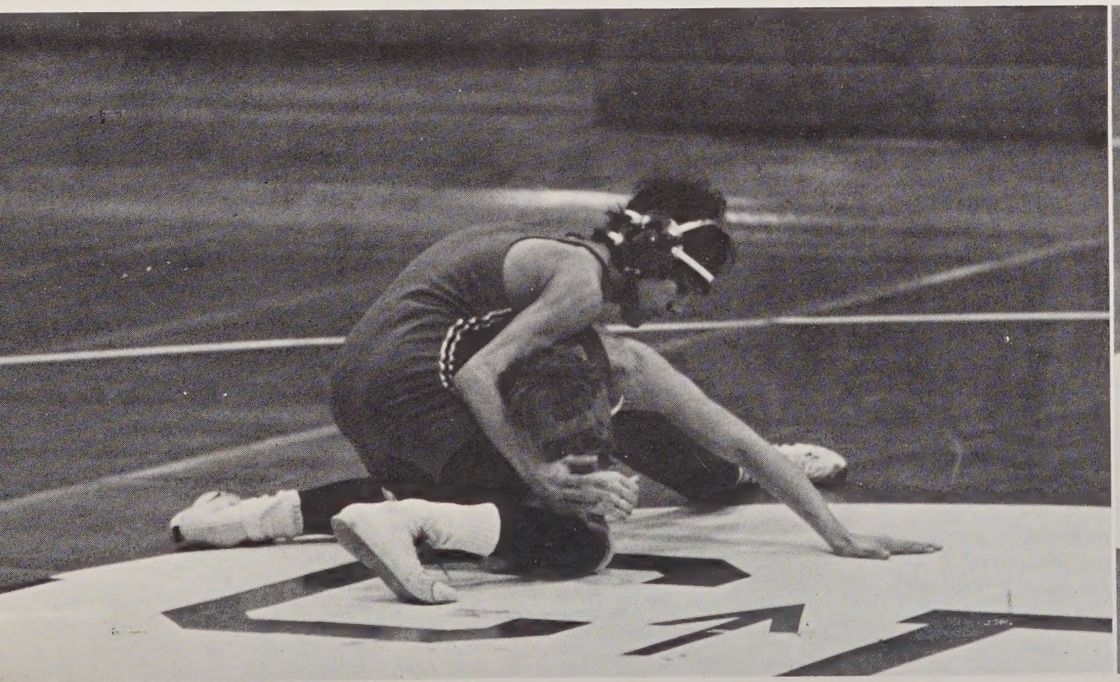


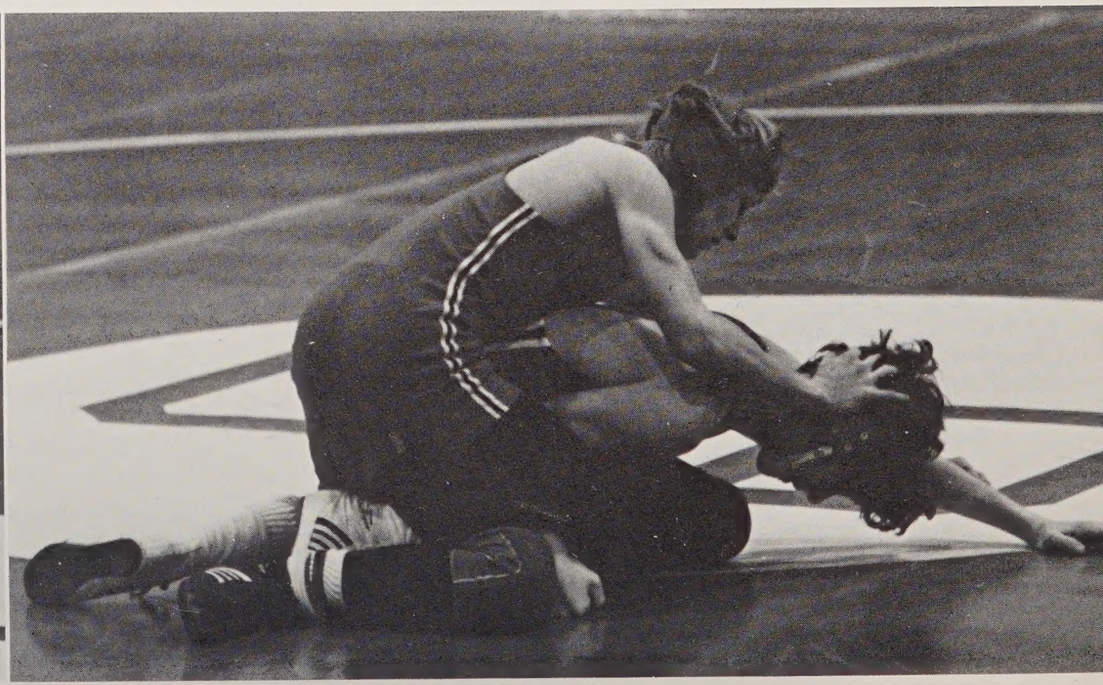


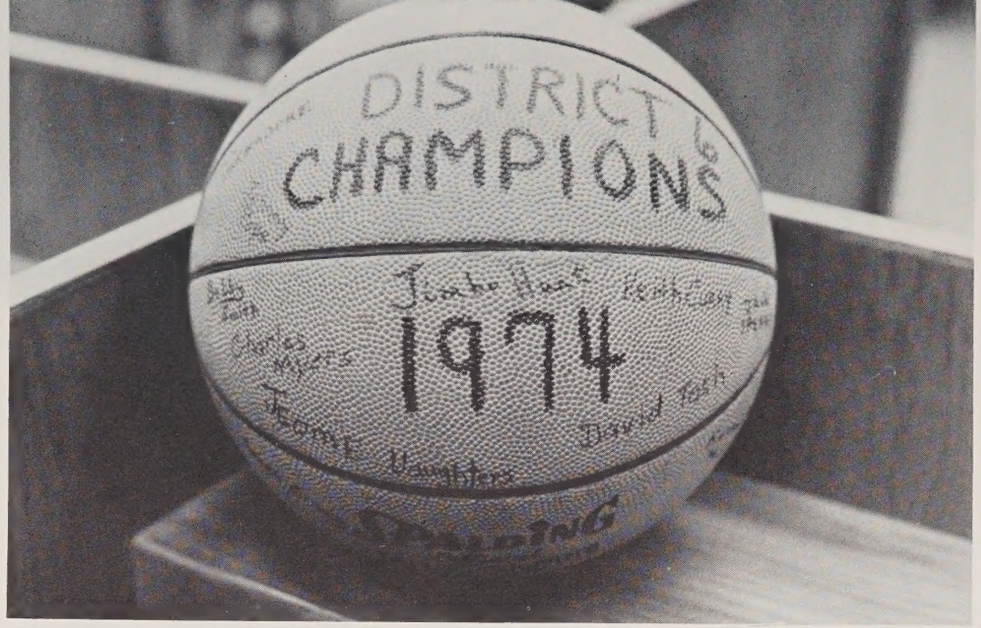












After suffering the disappointment of being eliminated from the Conference tournament in the first round, the varsity boys basketball team came back in a blaze of glory by winning the district Championship by defeating a talented Parkwood team 49-44. The gas shortage didn't prevent several bus loads of fans from traveling to North Stanly to support the players. The verbal preference of the fans for Central gave the boys the incentive they needed and at the final whistle the team and fans alike celebrated the glorious moment. It was a grand finish for a grand season.

Although the boys only played one round in the state tournament, the ball, trophy, and score book will remain to remind Central students of one of the great victories of the season.

Central Track "74"

The '74 track team runs into the season hoping to finish high in the new Central Carolina Conference. The Spartan Cindermen will be led by several talented lettermen who should place strong in the sprints, hurdles, and the long distance runs.

Baseball '74: First Row — M. Young, M. Beanblossom, M. Davis, J. Hines, G. Bates, T. Pardue, K. Smith, T. Story, P. Barker, B. Cross, M. Allred, J. Moore, D. Sechrist. Second row — B. Black, G. Baseball '74

The '74 Central baseball team was hit hard by the loss of graduation, but with many talented younger players, they should soon develope into a fine team. The team is coached by Tony Alexander and Jerry Hampton and with any luck they expect their team to finish as a conference contender.

Golf "74"

The '74 Central Golf team is expected to have the best season ever. Coach Ball will be blessed with seven returners off last years team which finished runner up in the conference tournament. They will also receive help from other first year golfers who will be replacing those lost by graduation. This all means in short, a 1974 Golf Championship for Central.

Mustang II is one little jewel of a car ...deep down where it counts.

Sounds like an unusual way to talk about a car. But in the case of Mustang II, it fits. Because of the close attention to detail. In the fit. In the finish. In the way it rides smooth, solid, quiet. And in the way it handles easy, quick, fun. We believe that Mustang II will be the forerunner of a new class of small cars. Smart. Spirited. Luxurious. Built and finished like a fine jewel. Here are a few examples of what we mean.
